

Checking on cheques in riding

Doug Lewis, M.P. for Simcoe North, has announced that because of the large number of Summer Youth Employment Program in Simcoe North that he

has carried out a series of enquiries to determine when the cheques to the various projects will be issued by the Federal Government. Lewis was informed that the cheques take five days to process and two days to return and that 250 cheques have already gone to the Department of Supply and Services for

processing and should go out today, 150 cheques would be going to DSS on Friday and that 300 were still outstanding but should be processed within two weeks. Anyone who does not receive their cheque by July 25 should contact my office and we will follow up the individual problems.

Music to their ears!

There was some good news for the town Monday night when members of Midland council met for a regular monthly meeting.

A letter from MTC noted that a second advance payment of subsidy in the amount of \$125,700 was being made to the town.

It was also noted this week, almost 90 per cent of this year's taxes have been collected of the \$2,180,212.62 Midland is to collect this year.

The town's current interim tax billing was cited for the increase in tax dollars flowing into the town's coffers.
