

# Bus trip to Wye Marsh highlight for horticultural society

by Elizabeth Porter  
Here's an up-date on doings of Penetanguishene Horticulture Society: The regular meeting

on June 17, took the form of a bus trip to the Wye Marsh which members found most interesting. We are most grateful

to the staff person who so graciously gave up her evening to come and show us around. It is a most delightful place to spend a few

hours and see the variety of plants and trees. On returning to our business meeting it was decided to have the

Society incorporated and the necessary proceedings have been set in motion. Plans were made for our July outing to Mrs.

Charlebois summer place. Due to the society not being at their usual meeting place but in the council chambers of the Municipal building it is unlikely that a full flower show will be held this year.

However it is hoped some such event can be had in early autumn. The evening at Mrs. Charlebois place on July 15 was well attended. Dinner under the trees was a delight and the entertainer an accordionist from Willowdale, provided the music.

Among guests present were: Mr. & Mrs. Gomme from the Ministry of Agriculture and Food. The Mayor of the town, Mr. G. Robillard and Mrs. Robillard. Mrs. Scott former director of district 16 Ontario Horticulture Society also present.

Our society is pleased to welcome several new members to the organization this year and will be glad to see any others who may feel inclined toward joining

Charlebois summer place. Due to the society not being at their usual meeting place but in the council chambers of the Municipal building it is unlikely that a full flower show will be held this year.

Our society is pleased to welcome several new members to the organization this year and will be glad to see any others who may feel inclined toward joining

We are most grateful to the staff of the Town Parks Committee and to Mr. Leonard area nursery man for their work at the tree planting in the park during the spring planting season and in particular the memorial planting for Mr. Robert Graham at the May 20 meeting which was also attended by Mayor and town council members.

As August will be holiday month for many people in this area the next regular meeting will be on Sept. 16 and the notice in local paper will tell location of meeting.

### Valuable skills

Are you looking for a program to add new interest and value to your organization's meeting? Enrol members in a St. John Ambulance First Aid or Health Care program. A qualified St. John Ambulance instructor and courses that offer films and practice sessions can teach your members valuable new skills that will stay with them for years.

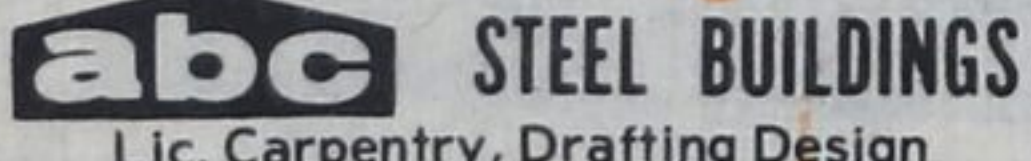

## Local men complete course

Graduates of the Georgian College Plumbing Inspection and Regulation 647, Part 2 course discuss the Plumbing Code manual with Instructor Chris Spanis following their recent completion of the course at the Barrie Campus. From left: Ian Shaw, Building and Plumbing Inspector, Thornbury;

Robert Capling, Plumbing and Electrical tradesman, R.R. 1, Wyevale; Chris Spanis, Chief Building Official, and Plumbing Inspector for the City of Barrie; William Leithead, Building and Plumbing Inspector for the Town of Wasaga Beach and Earl Collins, Plumber, Wasaga Beach.
