

Annual antique tour

This was one of the many antique cars that were seen touring around the streets of Midland last week. These

"oldies" were part of the 23rd Annual London to Brighton Antique Car Tour which had a total of 24 cars.

Difficult to say good-bye

On Monday, July 21, the Lucky Draw was held at CKMP for the coloured television that Contact sold tickets on prior to and during the Sidewalk Sale. C. Szanfranski of 13 Rei Court, Midland was the lucky winner.

Contact would like to thank all the people that supported this Lucky Draw.

It was indeed difficult to say goodbye to Capt. Bruce Bailey of the Salvation Army at the end of June. The co-operation between the Sally Ann and Contact has always been most gratifying and now that I have Lt. Ray Braddock, I know this good working relationship will continue. Contact welcomes Lt. Braddock and his family to Midland and wish him well in his new undertakings in this area.

The Huronia Association for the Mentally Retarded will be holding an Opportunathon on

Oct. 18 to raise monies to carry on this most vital work in our community.

Volunteers will be needed to help man the 24 hour period.

There will be many fields in which your expertise can be used. People will be needed as runners, decorating people, set up people, security, typists, bid boards, phone operators, clean-up people, construction, food dispensers, drivers and maintenance to name but a few.

If you can give a few hours of your time to help it would be greatly appreciated. Please call Contact at 526-9333 and leave your name and phone number and tell us what you would like to do.

Happiness is helping people to help themselves.

Mary M. Gibson, Administrator.
