Wyebridge news

by John Dennis
After an exciting and highly competitive season, the Wyebridge Warriors faced what was to be their final championship drive challenge of 1980 one week ago Monday.

Warriors were tangling with the Midland Athenian Raiders in game three of their best of three quarter final series in Midland.

Warrior pitcher Brian Newhouse was in excellent form and along with the rest of the Warriors, he held Midland scoreless for four innings.

It grew increasingly obvious that whoever scored the first run would have the momentum on their side. To the dismay of the many Warrior supporters the momentum chose the Midland side and after seven complete innings the Warriors had come out on the losing end of a 4-0 score. Good Luck Warriors in 1981!

With the regular season now behind them, the Warriors are concentrating their efforts on tournament play.

On Friday evening Wyebridge entered a tournament in Wyevale and came away on the losing end of a 3-2 score against a team from Toronto, in their first of three games.

This loss moved them into the consolation round and in their first game they eclipsed Orillia 2-1.

In the consolation round final the Warriors tangled with Adco Tire and were deservedly the winners as they ambushed their opposition 11-0.

As a result they placed third overall and were able to add \$100 to their bank account.

Wyebridge Midgets began their semi-final series against Toanche. However, the opposition need not have shown up for the game as Wyebridge trounced Toanche 14-2. Paul Rowe was a standout on the mound while Steve Searl led the way offensively with a home run.

If the Pittsburg Pirates' Willie Stargel had been in Hillsdale last week he would surely have given one of his famous stars to Steve Searl. In the three games the Midgets played young Steve poked no less than four homers.

In game one against Toanche, our boys came away with a one-sided 11-0 score. This game required only three innings to play.

In game, the Midgets were pitted against the home team, Hillsdale. They took this one 12-5 with Steve Searl leading the way with two home runs, along with teammate Leo Dubeau who had one four-bagger.

In the final match,

Wyebridge was once again paired up with Hillsdale. This time they held the home team to 1 run and completely dominated the game walking away on the high side of a 13-1 victory. Steve poked another homer in this game. Paul Rowe was credited with the tournament win.

In a gesture of friendship and gratitude, Ann and Murray Fagen would like to thank everyone who patronized them while they were owners of the Wyebridge Milk Maid and wish June Laurin the new owner great success in her new adventure.

The creation of a bingo night to commence in the fall, the sale of the old furnace, new bookings for the hall, and the installation of the new furnace were all topics of discussion last Wednesday when the Wyebridge Recreation Centre held their monthly meeting. The next meeting will be held Sept. 24 at 7:30 p.m.

The Bears' Den was the temporary home of Bob and Doreen Luffman last week as they left the village to do a little camping.

As is the case on most weekends during the summer months, visits by friends and family were abundant last week.

George Rowe and family received a visit from his brother Wayne along with wife Lynn and family from Collingwood. Marg Rowe's sister Bessie and husband Orr Marshall flew from Emsdale in their own plane last Sunday for a visit.

Proud grandparents, Bruce and Eloise Cameron had a visit from their two little granddaughters from Toronto.

Mr. Jim Withers paid mom and dad (Stu and Peggy) a visit this past weekend.

This past weekend was a special one indeed for yours truly. Twenty-one years ago when I was just a kid growing up in Hamilton, my cousin Augustin (Gus) Dorrington was born in Dublin Ireland.

This past weekend we finally met, as Gus drove up from Grimsby with mom and dad (Gordon and Eileen).

It's extremely hard to put into words the feelings experienced at seeing a family member for the first time, especially when they live so far away and come to you as a 21-year-old man.

By the way, did you know that Irishmen have the occasional drink? It's true!

Ontario
The name Ontario is derived from the Iroquois word "Skanadario," meaning beautiful lake.

It was a big fish back then

It was 65 years ago, on Sept. 1, 1915, that the late H.B. Stainton set some sort of record at Little Lake in Midland.

Entering the Toronto Star's annual big bass derby, Stainton walked off with top prize after hooking into a six pound nine ounce, smallmouth black bass.

It turns out it was the biggest bass caught that day in the province-wide derby.

The well known sportsman was the star attraction in a story the Toronto newspaper did on him a few days after he made the big catch in

Little Lake, often referred back then as Fraser's Lake.

Eat your hearts out bass fishermen!
