

## Lercar ahead 3-0 in important set against Commodore

The best of seven series between Lercar and Commodore Hotel could very well be over even as you read this story.

The fourth game in the Penetanguishene Fastball League series

was to be played last night, barring inclement weather.

Lercar was leading the series 3 games to none as of last week, after defeating Commodore Hotel soundly with a 9-1 score.

Lercar jumped very quickly into the lead with four runs in the first inning, following up with another two in the second.

The third inning provided two more runs for Lercar.

The fifth inning was scoreless for Lercar, but Commodore Hotel managed to get on the score board then, with one runner crossing the plate.

Lercar then answered that run with one of

their own in the sixth inning to round out their scoring for the game.

In the bottom of the seventh inning, Commodore seemed to be making progress in a last minute attempt to get back into the game.

when they deposited two runners on base.

They, however, didn't stay long, as Lercar cleared both of them out with a double play to end the threat.

Louis Belcourt was the winning pitcher for

Lercar, Bob Moreau was on the mound for Commodore Hotel.

Should a fifth game be necessary, it will be played at McGuire Park, the time and date being agreed upon today.

## Victories should not be forgotten

Amidst all the confusion and unleashed anticipation realized at the recent victory of the Penetang Juniors over Penetanguishene G and C, to gain the championship in the Ladies' Intermediate Softball League, one group has been forgotten.

The consolation round had all but been forgotten in the dust, but here is where the record is going to be set straight.

There was a consolation round, with the consolation championship going to Sturgeon Bay for the second year in a row, as they downed Christian Island 2-0 in a recent game at McGuire Park in Penetanguishene.

The victory was largely due to the work of two young women on the Sturgeon Bay team, Bev Roper and Jane Gillham.

Gillham singled onto first base in the top of the fifth inning and then displayed some fancy foot-work, hightailing it over to third base.

From there Roper batted her in score the first run of the game.

Roper came in herself a few minutes later to make it 2-0 for Sturgeon Bay.

Roper was also the wizard on the mound that kept Christian Island trying to figure out where the ball had gone.

That is not to say that the team wasn't working as well. A victory two years in a row shows that they have a team that works well together, and deserve the credit for a job well done.

Now that that's been said, justice has been served. Their victory shall not go forgotten.
