Missed the bus

This unidentified passerby on Midland's Bay Street, Tuesday afternoon, was certainly going the wrong way if she wanted to keep dry. Light rain turned into a downpour without warning that sent pedestrians scurrying for cover.

Four-way stop now in works

Good news for the residents of Port McNicoll was in the works, as announced at a regular meeting of the Port McNicoll council, Tuesday.

A four-way stop will be placed at the corners of Fourth and Simcoe streets, which, according to council, will stop speeding on Fourth Street.

Automobiles exceeding the speed limit on that road have long been a hazard to small children in the area.

The adventure that drags you in, pulls you under and tears you apart!
