

Boys' volleyball shaping up at MSS

The senior boys' volleyball team at Midland Secondary School is missing one starter to be a leading contender. John Faragher and Mark

Haughton have returned to support last year's seniors Andy Dorion and Andy Elsdon. Many of last year's juniors are trying out with the seniors. Ken Mugford,

Mike Leo and John Friesen will be challenging their teammates for a position. The seniors plan to use a fast middle attack this year and

hope to do well in their first tournament Saturday, September 20 in Midland.

Forty boys showed up for Jim Macfarlane's junior team. Jim will

have a very difficult time choosing 14 lads from this group.

Last year's midgets were very good and six fellows from St. Theresa's fine

volleyball program are attending Midland Secondary School. If these boys gel as a team, they could have a very good squad.

Mr. Andy Wicksted attended the York University volleyball clinic last June and is very keen to lead his

midget team to the zone tournament Nov. 7 in Midland.

Duncan McCready and Darryl Burns, co-captains of last year's midgets, are back. Doug Woods, Todd Gray and Tim Grenier are a few of the rookies who have good potential.

Industrial hockey league soon

The usual six teams will be battling it out on the ice this year in Industrial Hockey League action.

Performance Motor Sports, Hebner's Taxi, Roadrunners, Athenian Flyers, Duggan's Hockey Club, and

Olympia Sports will be starting their regular season of play Sept. 29 at the Midland Arena.

There will be two drafts a year, with all Midland residents 19 years or over eligible to play.

Those working in

Midland will be able to play in the league as well, but anyone wishing to play must be

out of organized hockey one year.

The season will be made up of 19 Monday

nights, the teams consisting of 20 players.

Tryout times will be announced later.

Smith's Camp takes championship

Smith's Camp has captured the Civitan House League cham-

pionship for the second year in a row, defeating French's Dry Cleaners 3-2 Sunday in Little Lake Park ball diamond.

French's started the scoring off with one run in the first inning.

Smith's followed that up with one run of their

own in the third inning, and another in the fourth.

French's tied it up in the bottom of the fourth, but could not get any more runs.

Smith's scored their winning run in the fifth inning to take the championship.

Girl' basketball in progress at MSS

Tryouts have started for the many fall sports activities at MSS this year. Brigg Harvey has arranged many exhibition games already for his senior girls' basketball team. Tracy Vent and Angie Pumputis are two girls, who attended summer camps and will make this team a serious threat in their zone.

Dennis Hern is starting his first coaching season with the junior girls' team. Kelly Edwards, Mary Russell and Shelly Brown have all moved up from last year's midgets. Coach Hern says that he could still use a good ball handling

guard.

Sharon Hartman starts her second year as coach of the midget girls. Lori Chambers is

a second year midget at centre who will be joined by a good crop of rookies from our feeder schools.

Airport problems on agenda

Doug Lewis, MP for Simcoe North has announced he will be holding a special meeting to discuss the necessity for improved

airport facilities for Orillia and area.

This meeting will be part of the series of meetings that Lewis is holding on Economic Development in Simcoe North.

"Because I am concerned about the relationship of improved airport facilities to industrial expansion in the Orillia area, I want to have this sub-

ject thoroughly aired at a public meeting," Lewis said.

Invitations to the meeting have been extended to representatives from the Ministry of Transportation and Communications, Orillia City Council, Township Councils of Mara, Rama, Orillia, Oro and Medonte, the Chamber of Commerce, the

Huronian Tourist Association, the Orillia Economic Development Commission, the Downtown Management Board and the Forest Home Industrial Park.

Lewis stressed anyone who is interested is welcome to attend.

The meeting will take place on Sept. 16 from 1 to 4 p.m. in the Orillia City Council Chambers.
