Parkview raises \$8,000

Over 300 runners took part in the run-a-thon held at Parkview Public School in Midland over the past week.

The run-a-thon was a success in more ways than one.

The goal for the event was \$1,000 but the runners managed to raise in excess of \$8,000.

A check for roughly \$7,000 was presented to Clarence Rittenhaus, chairman for the local chapter of the Cancer Society in an assembly at the school Thursday afternoon.

Another \$1,000 was outstanding in pledges at that time.

MSS girls basketball team 1-2 in Toronto

Midland Secondary School's senior girls' basketball team was at the All-Pro Basketball Camp Invitational Tournament at the University of Toronto over the weekend.

Friday night, the team lost a close game in overtime to Laura Secord School from St. Catharines 41-39.

Angie Pumputus scored 19 points in that game to claim the title as the game's top scorer.

The team came back on Saturday to defeat Brock 33-22 and then went on to take the win over Dunbarton 35-21.

The roll the team was experiencing was stopped by Brockville Saturday night in the consolation final.

High scorer for the Midland squad was Tracey Vent with 25 points.

Vent was the star of the Midland team as she went on to make the tournament all-star team.

Lisa McKelvie also made it to the pages of this past Sunday Sun as a result of her playing in the tournament.

Bulls fail in bid to win two in row

by Doug Reed

Midland Bulls Rigger Club, playing short-handed last Saturday, failed in the club's bid to make it two wins in a row after visiting Barrie Rugby Club shut out Bulls 14-nil.

Win for Barrie, consisting of mostly highschoolers from Eastview Collegiate, came on three tries and a convert.

The 35-minute-halves game opened with Bulls fielding 14 players instead of the usual 15.

With less than five minutes played, Barrie opened the scoring on a short 15-yard run by Joe Qunito. Barrie's convert failed and it was 4-0 for visitors.

Seconds later Midland's Mark Sullivan dislocated his shoulder and was rushed to hospital leaving the home team to battle Barrie 13 men to 15.

Visitors

Before the first half was over Barrie scored again when visitors wheeled their scrum just a few feet from Midland's goal line to make it 8-0. Again Barrie failed to click on a two-point conversion and it was 8-0 at the end of the first half for Barrie.

Midland then took it to Barrie in the second half although were unable to get on the scoreboard even when the club took a three-point penalty kick which missed the mark.

Reese Caville made it 14-0 for Barrie, after he ran the ball in for a try (four points) and then completed the scoring with a conversion that was good.

Early in the last period John Gibson dressed for Bulls, the club playing the remainder of the game shy only one player on the field.

Barrie's young legs seemed to tell the story for most of the match and for a time it appeared they would walk away with the match until Midland started to put some of its own pressure on visitors.

Both clubs were evenly matched with their packs (scrums) while Bulls' mauls and rucks (grounding the ball) saved visitors from adding to the score.

Several Midland three-quarter line runs (players passing the ball then peeling off) excited fans who watched the match played in almost ideal weather.

Brothers

Bill Chapman and the Josland brothers, Mike and Steve, played aggressive rigger for Bulls as did Al MacDonald, John Nix, Ralph Leuthardt and Ron Hunt.

Hunt played one of the best games of his career with some sparkling long distance running. He also provided bone-crushing tackling to boot.

Bulls' lineout plays were varied which kept Barrie off guard for most of the game. Nevertheless Barrie pulled off an impressive victory and is to be credited with some fine ball-handling and excellent coaching.

Next Saturday, Midland Bulls head to Sudbury and then a week from Saturday they'll be back in action on the pitch at Midland Secondary School for a clash with Brock of Cannington.

One final note concerning last Saturday afternoon's game, Midland's Mike Miller was called upon to officiate the affair and he's credited with refereeing a well officiated game.

Well done Mike and Well Done Bulls.

St. Theresa's Crusaders to face tough competition

Midland's St. Theresa's High School's Crusaders senior boys' team will come up against some pretty tough competition Friday when they meet Kapuskasing Kolts from Kapuskasing Secondary School.

The Kolts were semi-finalists at OFSSA for the past three or four years.

The game will be

played in the Midland YMCA gymnasium at 6:30 p.m. until 8 p.m. and offers some of the best volleyball action seen in this area for some time.

The Crusaders are ranked number one in single "A" play and promise to show that they can be tough competition for Kapuskasing.

Andy Robitaille is proud to welcome Andre Boileau to the staff of Andy Robitailles Auto & Truck Collision Ltd.

Andy says "It isn't often you get a chance to acquire the services of a person of Andres capabilities".

Andre's extensive experience and his involvement in the community since 1959 will make him a valuable addition to Andy and his customers.
