

## Action tonight

Action such as this will be seen tonight when Penetanguishene Kings take on Mid-Ontario finalists Schomberg Cougars in

the Penetanguishene Arena at 8:30 p.m. All proceeds from the exhibition game will go to St. John's Ambulance Brigade.

Meanwhile Midland Centennials will be hosting Angus tonight also at 8:30 p.m.

# Runaway success for St. T's run-a-thon

St. Theresa's High School in Midland recently held its sixth annual run-a-thon to raise funds for their athletic programs.

The event was run on the track of Sacred Heart School in Midland.

Out of the 181 students at St. Theresa's 118 participated in the run-a-thon.

Between the eight classes that took part, 3,280 laps around the track were run with an average of 20 laps for each runner.

Total pledges came to \$4,915.51, the average for each runner at \$27.16.

Highest pledges raised by the 9A class. They raised \$1,148.98.

They also held the highest average raised per runner with \$57.71 going into the pot for each of them.

The results of the run-a-thon looked like this:

# Juniors move up at St. T's

Runners from St. Theresa's High School in Midland performed well at the zone meet held at Sunnidale Park in Barrie Wednesday. Marlon Giesler finished in 14th position and John Bald was right behind him in 15th position.

The team score was 72 for third place. That is the position the team finished in last time they competed in Barrie two weeks ago.

The junior boys moved up a spot in this meet with Kevin Chapman leading his teammates in sixth position.

They finished in second spot with a team score of 61.

Maureen Jaeger came in to claim fifth for the midget girls, leading the team to a score of 83 for a fifth place finish.

In open girls' competition, Kelly Swales was the top runner for St. Theresa's with the team totalling up 130 points and taking sixth place in the competition.

Senior boys John Quilty and Chris Brennen finished 18th and 32nd respectively as the only two runners in that category.

## PENETANG - MIDLAND GYM CLUB

## Gymnastics Corner

World Cup '80 Gymnastics is to be held at Maple Leaf Gardens from Oct. 24 to 26, 1980.

World Cup is unique because it is a competition of individuals rather than nations. The International Gymnastics Federation (F.I.G.) has invited the best female and male gymnasts in the world, based on rankings in the 1980 Moscow Olympics and the 1979 World Championships in Fort Worth.

Because of the Olympic boycott, World Cup '80 will be the competition that "would have taken place in Moscow", being the only occasion when all of the world's best gymnasts compete for individual and all around honours this year. Gymnasts in-

vited by F.I.G. include Comaneci, Kim, Davidova, Ditiatin, Kayiyama, Connor and Delesalle, Schlegel and Hawco from Canada.

Of special interest will be the performance of four gymnasts from the People's Republic of China, competing in World Cup for the first time.

In Fort Worth--their first appearance on the international competitive level--these Chinese gymnasts finished in the top 15 and many observers feel the World Cup '80 will be the competition at which they offer serious challenge for top honours.

Because of the calibre of athletes at World Cup '80, this competition will be of tremendous interest to coaches, teachers and all gymnasts whether at the school,

club or recreational level of this sport.

One ticket will cover all four competitions. The prices are as follows: \$36 for golds reds; \$20 for blues greens and \$14 for greys. Tickets can be purchased by mailorder only, from Maple Leaf Gardens.

Individual tickets, if available, will only be sold in October. For additional information, please phone 416-429-7701, ext. 351.

The breakdown of times and events is as follows:

Friday, Oct. 24, 1980--7:30 p.m. Men's all round championship  
Saturday, Oct. 25, 1980--7:30 p.m. Women's all round championship  
Sunday, Oct. 26, 1980--1:30 p.m. Men's individual finals

Sunday, Oct. 26, 1980--7:00 p.m. Women's individual finals

1980 marks the first time that World Cup will take place in North America. It is organized as a major break-even project by the Canadian Gymnastics Federation.

Watch for, or better still, plan to attend the premier gymnastics event of 1980, featuring the top 36 gymnasts in the world. It should be a fantastic show!
