Our power-packed batteries carry FREE replacement guarantees!

Should any MOR-POWER battery fail within the guarantee period, we'll replace it. Without charge! Without pro-rating! Others make you pay for the time you've used the battery. Your MOR-POWER is covered for FULL, FREE replacement right to the last day of Warranty. Nobody beats that! (Check in-store for complete warranty details).

Reliable Dual Duty Power Plus Battery

Sample listing: Group 22F

56⁹⁵

Only Canadian Tire gives a full 42-month FREE replacement guarantee on this type of Maintenance-Free battery - other places will pro-rate ownership period, frequently resulting in a replacement charge to you! We have more confidence in our product. Reinforced polypropylene battery case is the strongest type made. Dynel fibrous reinforcements resist vibration to prolong battery life. Install it and forget it. Available with top or side terminals.

"Our best" Turbofire Maintenance Free

Sample listing: Group 22F

62⁹⁵

Start with confidence! Our Turbofire contains no antimony - antimony is the major cause of gassing, water loss and overcharge damage. And, size for size, Turbofire delivers more cold-crank power than a conventional lead-antimony battery - plus you get longer battery life. That's why we guarantee our Turbofire for as long as you own your car. Battery case of reinforced polypropylene is the strongest type made. With top or side terminals.

Sample Listings Only - Similar low prices on Turbofire and Dual Duty Power Plus Batteries for other makes. Installation Extra.	Dual Duty Power Plus	Turbofire
