The grape-fruit circuit opened in

Wyebridge one week ago Sunday, as the CKVR No Stars, tangled with Wyebridge Won-

ders. To the delight of the capacity crowd, the two teams tripped and

staggered through seven innings of slap-stick baseball.

With home brew, Milt "Crazy Legs", on the mound the Wonders tried to keep the game serious, but it was to no avail and soon both sides were spending more time doubled over in laughter than playing ball.

CKVR's Steve Rud-dick proved he had speed as he stepped up to the plate, hit the ball and before Crazy Legs could blink, was on third base.

Several times during the game, a grapefruit was substituted for the baseball resulting in a few "sticky" situations.

The threat of rain was always present, but for the most part the weather was just right for baseball.

In fact, it was warm enough to coax Harold Leonard into playing the entire game in just a bathing suit. The fact

that it was a relic from the turn of the century is irrelevant.

Proceeds

The organizers and participants in the game wish to thank all those who came out and supported the event. All proceeds were applied to the cost of purchasing and installing a new furnace for the community centre.

According to Milt Ellery, who headed up the entire afternoon's activities reported a net profit of \$394.

Refreshments were served afterwards to all participants. The final score was Wonders 20-No Stars 19.

Induction service for Gordon Hurd Finney, incumbent of the Parish of Elmvale was conducted by the Venerable Robert P. Dann, Arch-deacon of Toronto East, on Sunday, Sept. 21, 1980 at 7 p.m.

Archdeacon Dann was assisted by the

Reverend Rod Barlow, Regional Dean of Huronia.

Reverend Finney's family travelled from the United States to witness the induction service.

The annual Sunday School picnic was held by the congregation of the Church of the Good Shepherd, Sunday, Sept. 7. A good turnout was realized and the weather man was co-operative.

The first Wyebridge Cubs and Beavers held their regular weekly meeting last Thursday evening with fourteen cubs and ten beavers in attendance. The boys made final preparations for the Lakeland IV Adventure at Awenda Park and also officially presented Robbie Turner with the

Wyebridge colours.

Topics

The Wyebridge Parks and Recreation Board of Directors held their monthly meeting last Wednesday evening. Among the topics discussed were the wiring of the fence around the new park, and the up-coming dance.

The fencing project is tentatively scheduled for the weekend of Oct. 18. The first dance of the fall season will take place Oct. 4 at 8:30 p.m. and will feature Marcel Maurice and the Northerners.

Tickets for the dance, to be held at the Wyebridge Community Centre, will cost \$9.

Sympathy is extended to the family of Mr. John Horning. Jack will be missed by all, especially those little ones, who knew him as Santa's helper.

A baseball game of mixed teams was held at the park on the new diamond on Sunday afternoon. Even though there weren't many spectators the people present and the players sure had a lot of fun. Husbands and wives played on opposite sides which added more laughs than ever.

A community shower was held Saturday night in the United Church Hall for Anne Scott and Doug Truax. Many lovely and useful gifts were received. Anne

Greaves feted at two parties

Last week was an exciting one for Margaret and Kenn Greaves, who celebrated their 25th Wedding Anniversary. On Sunday afternoon, September 21, the family surprised them with an open-house. Their oldest son, Stuart and his wife Michelle, were there from Sault Ste. Marie. Andy was home from Swanhill, Alberta where he is stationed with the Royal North West Mounted Police Force. Members from both sides of the Greaves family were present, along with many friends. All told, eighty or more people were there to wish them a Happy Anniversary. The lovely day made it possible for them to enjoy being out on their lawn.

Friday night, September 26, the Greaves were again taken by surprise. Twenty or more friends and neighbours popped in on them, presenting them with a lovely gift from the community. This was four folding chairs to go with a games table that had been given to them earlier. Everyone enjoyed the evening and the lunch that followed. Best Wishes from all of us Marg and Ken.

The First Wyevale Beavers, Cubs and Scouts, were among the approximately 1,200 Scouters who spent this past week-end at Awenda Park on the North end of Tiny Township.

The Beavers enjoyed Saturday's obstacle course with Star Wars Theme. The Cubs' Circus Theme included a parade and midway. The Scouts had more challenging activities, such as chariot races and javelin throws.

Lakeland IV Adventures was enjoyed

by all. A little extra sleep this week and a hot bath will have everyone back to near normal. The boys are all very proud of their special crests, which each one received for participating.

Wyevale 4-H Club held its first meeting, with 12 girls attending. The Officers were elected at this meeting, although a club name has not been decided upon yet. They decided upon a rotating secretary system. Diane Hamelin was elected to be President. The Leaders are Mrs. Judy Hall and Mrs. Roslyn Maurice. The next meeting is to be held at Mrs. Maurices' on Wednesday at 7. This first report is submitted by Miss Cindy Hastings.

Mrs. Lillian Hewer spent last week in Penetang General Hospital. We are

pleased to know that she is over her surgery and home again.

We are pleased to see Darlene VanderVoort around again, after a day or so in hospital.

Bill Nerpin is still in Huronia District Hospital undergoing burn treatments.

A lady from Wendake Beach received quite a shock one morning early in September. Mrs. Eva Playford was hurriedly bringing in some clothes from the back verandah, when something in the clothes clung to her finger and bit it. A bat was startled out of his sleep when Mrs. Playford grabbed the clothes. The bat was sent away for rabies tests and proved negative. Nevertheless, Mrs. Playford took the required needles as a precautionary measure.
