

Cowan scores four for Kings

by Don Lawrence
Penetanguishene Jr. Kings hockey club travelled to Oro Wednesday night to play a game re-scheduled from the beginning of the season, winning it 12-5. Oro's ice was not ready for the first game, making it necessary to postpone the game until

Wednesday. Carl Cowan opened the scoring for Penetanguishene 40 seconds after the beginning of the game. Assists went to Wayne Dixon and Doug Gillespie on the play. Oro came back to tie it with a goal at 6:25 from

Murray Hadley, assisted by Ted Scholte and Garry Johnstone. Bob Weatherill scored a goal for Penetanguishene at the 9:50 mark of the first period with help from teammate Paul Robillard. The Kings kept on scoring with Cowan

recording his second and third goal of the game, one at 11:56 and the other at 16:03. Dixon received an assist on each goal while Brad Copeland got an assist on the first of the two goals. While Oro was short-handed, Hadley put the puck into the net for Oro

again with one second left in the period. Dave Cyr was handed the assist on the play. Oro was first to score in the second period at the 7:17 mark when Hadley scored his third goal of the game. Both he and Cowan of the Kings scored four goals in that game.

Scholte got the assist on Oro's goal. Penetanguishene scored 34 seconds later with credit for the goal going to Paul Robillard and assist going to Terry Pilon and Gerry Lethbridge.

6:02 into the third period. He was assisted by Frank Hall. Hadley scored his fourth and final goal for Oro 9:39 into the period, assisted by Garry Johnstone and Glenn Vellobregt. It was a power play goal again for Oro. Penetanguishene wasn't finished yet though as they went on to score twice more. Paul Robillard took the puck from teammates Terry Pilon and Gerry Lethbridge at 11:23 of the final period for the first of their final two. Paul Robillard took the puck from teammates Terry Pilon and Gerry Lethbridge at 11:23 of the final period for the first of their final two. With a little under five minutes left to play, Gerry Lethbridge scored his second goal of the game, assisted by Brad Copeland and Carl Cowan. The final score was 12-5 for Penetanguishene Kings. Oro outshot Penetanguishene 47-30, Paul Goodine taking the brunt of the shots for the Kings in net.

MSS riders tops at Elmvale Fair

Some girls at Midland Secondary School aren't content with just learning about geography and history. They need much finer things in their lives to make their existence here on earth complete. Michele Ayton, Jane Barnett, Nancy Barnett, Elizabeth Cowdry, Paul Drennan, Barb Hebner, Tim Irish, Sharon Jarlette, Stacey Leitch, Sue MacKenzie, Becky Oaklev, Monica Rauber and Carrie Van Klink are just some of those girls at MSS who participate in horseback riding for the school. These young ladies recently attended the Simcoe County Horse Show at Elmvale's fall fair and came home

with top honours. At the end of the competition, the overall High Point Secondary School trophy was theirs. Their point tally was 119 with their closest competitor, Banting Memorial from Alliston with 98 points. Also presented to Midland Secondary School's team was a trophy for the best presentation of horses and riders representing their school. Members of the school's color party included Sue Mackenzie, Monica Rauber and Becky Oaklev. Jane Barnett and Nancy Barnett shared the High Point

Equitation trophy. Jane Barnett also won the High Point Hunter trophy. Michele Ayton placed in top position for western riders with two

first place ribbons, three seconds and a fourth. Top English rider for MSS was Jane Barnett with four first place ribbons.

The riders were helped immensely by the grooms and ring crew who went along for the day and proved to be an important part of the team.

Malibus play heads-up volleyball

Commodore Hotel Malibus' ladies volleyball team played their first exhibition games Wednesday night. Although their spiking and blocking was improved, they went down in defeat to Orillia Cragg Insurance in their first set, losing both games 15-8 and 15-8. Their second set didn't go much better either as Scott Printing O.V.A. won both games 15-5 and 15-6. Heads-up volleyball was displayed by the

Malibus but they seemed to tire near the end of the evening. Should the team build up their endurance and skills even further, they look like a team that will be hard to beat. Both Midland Centennials and Midland Athletics hockey clubs will see action tonight. They will be playing out of town though with Centennials visiting Huntsville Huskies on their home turf, that

The Malibus will play next on Oct. 29 in Base Borden where they will take on Base Borden and Cookstown. Their next home game will be Nov. 12 at Midland Y.M.C.A. game beginning at 8:30 p.m. The Athletics will be treading into Georgetown for a game against the Raiders. They will commence play at 8:30 p.m. Athletics will then come home Sunday night for a match in Midland Centennial Arena when Collingwood Shipbuilders will be in town.

Midland active

Lucky Strikers still lucky

Lucky Strikers bowling team is managing to stay ahead of Born Losers in Penetanguishene's Sunday Sinners Bowling League. Before last week's action, they were sitting at 23 points with Born Losers close behind at 21. They now have 30 points and have increased their lead, Born Losers having fallen back to 26. Heavy Rollers held onto third position over Alley Cat's, each team gaining two points above their 17 and 15 point stand. Pat's Rats are steady in fifth place with 15 but 7UPS have closed the gap from their former five points to 10. Jim Bressette increased his high average to 219 from 213 to hold onto first place in the men's division for top averages. On the other hand, Pamela Lesperance dropped a bit in the ladies' division going from 187 to 182. This gave Stella McIntaggart the chance to move from third place to first, increasing her average from 176 to 183 to edge out Lesperance by one pin. Jim Bressette's high single of 317 fell to Gerald Lesperance who bowled a 350 flat game. Ladies' high single by Betty Thayer at 273 flat remained untouched for this week. Jim Bressette's high triple stood firm at 878 flat as did Pamela Lesperance's flat high triple at 647. Shirley Simmonds holds ladies' high triple with handicap for her 717 score while Bressette also holds the high triple with handicap for the men's division at 959.

Bruce Guthrie turning semi-pro

Bruce Guthrie of Wvebridge won't be returning to the ice for Midland Athletics this season. Guthrie, the 6'2" defenceman who weighs in at 205 pounds and plays well beyond his 23 years, made quite an impression upon everyone in his debut for the Athletics several weeks ago, scoring one goal and one assist. Guthrie left a couple of weeks ago for Saginaw, Michigan where he hoped to make the Saginaw Gears, a semi-pro team in the International League. He has made the team and will be staying there

until the end of this season. Guthrie is no stranger to high stakes hockey, having already played for a team in Binghamton, New York, a farm club for the Hartford Whalers. So, the Athletics will have to get by without him on defence, yet they have some good players still that will provide them with the play they need.

WHERE ARE YOU LOSING HEAT?
Thermal-Graphics of Canada Ltd. will show you visual proof with our specialized equipment. We can locate your areas of heat loss, before and after insulating. Remove all the guess-work.
