

Charter night tomorrow in Orillia

...Huronian Chapter — Real Estate Inst.

On Saturday, Oct. 25, at the Continental Inn, Highway 90 and 400, Barrie at 6:30 p.m., Robert Stewart, F.R.I., C.R.A., R.R.A., chairman, will host a reception and dinner in honour of the Charter Night of the Huronia Chapter of the Real Estate Institute of Canada.

Noted guests include Frank L. Butler, F.R.I., of Victoria, B.C., National Governor of the Institute, who will present the charter to the chapter, Michael Cousins, C.P.M., Chairman of the Greater Toronto Chapter, who will present the Podium Banner.

Other Dignitaries present will include George Taylor, MPP and Mrs. Taylor, Ron

Stewart, MP, Nina Conway, representing the Muskoka Board, Don Glass, President of the York Region Board and Mrs. Glass, Ian Carmichael, Chairman of the Real Estate Institute of Ontario and Mrs. Carmichael.

The elected officers of the chapter are: Elaine Ineson, F.R.I., Barrie, Secretary; Ron Mink, F.R.I., Midland; Treasurer, Tom Harris, F.R.I., Orillia; Vice Chairman, Ian D. Counce, F.R.I., Barrie, Past Chairman.

The New Huronia Chapter is one of the largest in terms of geography in Ontario, including in its bound-

aries all the communities from Bradford to Muskoka and from the west side, Lake Simcoe to beyond Owen Sound.

The Real Estate Institute of Canada was founded by a group of farseeing leaders of the Real Estate Brokerage business 25 years ago who perceived that a widely held desire by Real Estate Brokers and Salespeople for more professional status and recognition could only be attained by establishing some national standards of education and experience and conferring on those who attained these standards a

designation.

Professor Phillip White was engaged to design the first University Extension Courses which, in updated form, are now available in Universities across Canada. The first designation granted was Fellow of the Real Estate Institute or F.R.I.

Later, the Institute took on the task of granting, in Canada, the Certified Property Manager or C.P.M. from the Institute of Real Estate Management in the U.S.A. More recently the Institute adopted a new division, The Institute of Leasehold

Acquisition, who grant the designation A.L.O. (Accredited Leasing Officer).

The Institute's prime purpose is Education both for those who wish to attain a designation

in their chosen Real Estate Specialty field and up-dating and upgrading education for those who already hold a designation.

The Establishment of the Huronia Chapter will assist both of those

aims for Real Estate people in this area.

First, by making the courses required to attain a Designation more available and, secondly, by sponsoring meetings and seminars for Professional Real Estate people in the Huronia area who wish to improve their knowledge and skills.

Smith, town to plan

Midland's Planning Board and Smith Trailer Camp operator Rick Smith will be co-operating on creating a policy to deal with services in the camp, Town Planner Bryan MacKell says.

Included in the planning will be looks at hard services, such as

water delivery, and social services, such as recreation.

The board might also consider changing the zoning of adjacent properties, MacKell said.

Planning Board Chairman Wayne DeWitt has extended the

date of his resignation from the board to Nov. 30 from Nov. 1.

Board members Gordon Maxwell and Ed Lawlor, whose terms expire Nov. 30, are willing to serve another term. The town council appoints the members of the planning board.
