

On-going pin-ball saga continuing

The on-going saga of how to regulate pin-ball machines in Midland got a thorough going-over Monday night when members of town

council met for a regular monthly meeting.

At least two Midland businessmen and a supplier of pin-ball

machines were present to oppose parts of a new (proposed) by law that would set down hours pin-ball machines operate in town, etc.

Following a lengthy discussion it was agreed to hold up the bylaw until council could consider all the information it had heard

this week.

Most councillors agreed they didn't want an arcade in downtown Midland, fearing such a facility would lead to vandalism and drugs.

Danny Wood questioned council in requiring a \$100 licensing fee be placed on the first machine and \$20 for each and every other machine a keeper of a place of amusement operates.

He said by licensing these machines it would make it easier not more difficult for people to bring more machines into the town.

Machines

"Before there was just three of us in Midland operating these machines. You knew where they were and there was no problem. That could all change with this new bylaw," he said.

Ken Burgess, operator of Beach Head Amusements Ltd., who has placed at least 500 machines throughout the province said for the most part he agreed with the new bylaw but like the other two people, Wood and Harvev Leader, he too has some reservations. Leader was opposed to council limiting times during the week when pin-ball machines could be in operation. He was pleased that council allowed him to operate his machines while his place of business was open.

As it now stands council is to take one more look at its bylaw before making any final decision on the matter.

Centennials bow to Gravenhurst

Gravenhurst Indians scalped Midland Centennials hockey club Friday night 11-3 in Gravenhurst Arena.

The Indians scored seven goals in the first period on an average of one every two minutes.

Three of those goals for Gravenhurst came from the stick of Steve Bice and another two by Ted Lahay.

Midland scored two goals late in the period, one by Steve Dunn from Frank Dance and Andy Seeman with 4:34 left to play and the other from Ken Mugford at the 1:11 mark, assisted by Noel McEachern and Paul Hahn.

Neither team scored in the second period. Gravenhurst started

off the third period's scoring with the third goal for Ted Lahay only 10 seconds into the period.

With just under two minutes into play, they scored again to make the score 9-2.

The Indians moved up their lead one more goal with 7:52 left in the game on a powerplay goal.

Midland's Steve Dunn scored his second goal of the game on an unassisted play while his team was short-handed with 5:38 left to play.

A half-a-minute later, another player for Gravenhurst, Lenny Willett scored his own hat trick to close out the scoring for the game.

Zurawski takes lead in Cent scoring

After Sunday's game, Andy Zurawski of Midland Centennials hockey club has become top scorer with 14 points for his team, relegating Noel McEachern to second place for team standings with 13 points.

In third is Ken Mugford and Paul Hahn, both tied with 10 points.

Dale Denis is in fourth place in point totals with nine while Steve Dunn is

right behind him with eight.

Penetanguishene Jr. C Kings hockey team's standings are shaping up this way.

Paul Robillard has slipped into third from second.

His point total is 18. Terrv Pilon has also
