

Brass Co. coming to ESPSS to delight young

Huronian Performing Arts for Children is proud to present the first performance in their 1980/81 en-

tertainment series for children.

Brass Co. will perform Saturday, Nov. 8 at 2 p.m. in

Penetanguishene Secondary School.

This trio of musicians will provide an entertaining demonstr-

ation of their instruments. They present a wide variety of music ranging in style from the

Renaissance to the 20th Century. The programme also includes folk music and the latest 'pop' tunes as

an added treat.

Audience participation is encouraged throughout the performance.

The artists themselves, though they play as a trio, are also involved in other musical activities.

George Stimpson, who has played the French Horn professionally since his highschool days, is currently Principal Horn with the Canadian Opera Co. Orchestra, a member of the Boss Brass and the CJRT Festival Orchestra.

He received his Bachelor of Music Degree from the Curtis Institute in Philadelphia. James Spragg, Trumpet player for the trio, has been the Principal Trumpet player with the Stratford Festival Orchestra for the past seven seasons.

He is a graduate of the Faculty of Music, University of Toronto, and presently freelances in Toronto, is the Principal Trumpet with the Cjrt Festival Orchestra and is on the Faculty of the Royal Conservatory of Music.

The third member of the group, John Dowden, plays Trombone and was freelancing long before he graduated with a Bachelor of Music Degree from the University of Toronto. He has studied with Ralph Sauer and Emory Remington and was the former Principal Trombone with the Hamilton Philharmonic.

He is currently on the Faculty of the Royal Conservatory of Music in Toronto.
