

Dock Lunch feasts on Hindson Marine

A two-way tie has developed in Penetanguishene Recreational Hockey league standings between Dock Lunch and Hindson Marine after

Sunday's play in Penetanguishene Arena. Dock Lunch defeated Hindson Marine 6-1 to put themselves into a tie position, with Ken

Edgar recording a hat trick for Dock Lunch. Other scorers were Paul Loughran, Tom Gignac and Bill Munday. Mike Orser was the

sole scorer for Hindson Marine. A tie for last place was broken between Chalet Sports and B & J Gas Bar when Chalet Sports won 4-2 over B &

J Gas Bar in a game where Mark Duquette scored a pair for Chalet Sports. Ken Edgar is top scorer in the league after five games with five goals and nine assists for 14 points.

Figures don't lie ...

Although figures don't lie, they also don't tell the whole story. Midland Athletics haven't scored the least goals in Ontario Hockey Association Intermediate A league play but they still sit in the basement with eight losses in eight games as of Nov. 3. The only team that has scored fewer goals than Midland are the Port Elgin Sunoco's with 25 as compared to the Athletics' 38. Port Elgin has won one game in the six they've played and are in second last position. Midland Athletics have allowed the most goals against though with 69. Despite these figures and their standings, Midland Athletics play an interesting form of hockey and can honestly say their placing is largely due to the age of the club, only having been formed this year. Given more time, Midland Athletics could move up in the ranks with the proper support.

Master-junior tourney good experience

Four teams of three bowlers, including a teaching master from Midland's Youth Bowling Council and a male and female bowler from the junior division of that group, entered a Master-Junior tourn-

ament on Sunday in Barrie's Kempview Bowling Alley. Even though there were no winners from Midland, all learned a great deal from the competition.

Teams were: Maurice Lapensee, teaching master with Michael McBrien and Adele Mover; Pauline Brabant, teaching master with Gerald Befort and Christine

Duval; Debbie Chadwick, teaching master with John Sykes and Kim Hawke; and Dennis Brabant, teaching master with Steven Parent and Lynn Shaw.

St. T's puts on good show

St. Theresa's High School in Midland senior boys volleyball team played an exhausting series of games at Saunders Secondary School's invitational volleyball tournament in London Saturday. In round robin competition, they met Saunders first, defeating team 15-11 and 15-16. They then played Donovan Secondary School from Oshawa and won both games 15-12 and 15-1. Charlebois Secondary School from Ottawa was no match for St. Theresa's either as they were downed 15-10 and 15-6 by the Midland squad. Malvern Secondary School in Scarborough proved a little tougher competition for St. Theresa's as they defeated St. Theresa's in the first game 15-13. St. Theresa's came back though with a 16-14 win in the second game. Ingersoll Secondary School also gave St. Theresa's some trouble as they made St. Theresa's work for their two wins, 15-11 and 16-14. At the end of round-robin play, St. Theresa's was tied with Malvern for first place in their pool.

They were awarded second place because of Malvern's better point average. St. Theresa's went on to play the winner in the other pool, David and Mary Thompson Secondary School from Scarborough in semi-finals while Malvern played the third place team in their pool. St. Theresa's were too tired by the time they met David and Mary Thompson Secondary School and it showed. After playing six games straight in the afternoon, they still managed a good showing but lost both games by scores of 15-12 and 15-3. Malvern went on to play David and Mary Thompson in the finals which they lost to a superior team. Chris Weissflog of St. Theresa's played well throughout the matches and kept their attack balanced with his play. Despite playing with schools of 2,000 students or more, the small school of St. Theresa's in Midland has shown that they can keep up with the much larger schools on the volleyball court.

Heart attack fells hunter

A heart attack killed a Victoria Harbour man while he was hunting deer early Monday with 10 companions between Con. 6 and Con. 7 of Tay Township, Midland OPP reports. Lloyd Alphonse, 52, of Richard Street, Victoria Harbour, died some time between 7:20 a.m. and 8:30 a.m. A nearby companion saw him kneel while they

were pursuing a deer and assumed that he was preparing to shoot. When the hunters assembled at the other end of the bush, they discovered Alphonse was missing, and, searching for him, found him where he had last been seen. A post mortem was conducted Monday at Huronia District Hospital by Dr. Robert Besley.

Monteith scores five for atoms

Donald Monteith of Midland's Bell Canada Major Atoms was the main power source behind his team's 9-0

victory over Penetanguishene's major atoms in Midland Centennial Arena Sunday. Monteith scored five goals in that game. Tim Jenkins opened the scoring for Midland at 2:35 of the first period with assists going to Glenn Weatherall and David Birkett.

Monteith followed that up with four straight goals to make the score 5-0 by the third period. David Merkle scored twice in the third period and Monteith and Mike Larmand each came up with singles to bring the score to 9-0. Seanus Ferguson, Steve Summers and

Mike Larmand all were handed assists. John Gibson and Chris Hackney shared the goaltending duties for Midland. Bell Canada Major Atoms will play again Friday against Base Borden in Base Borden and then return home for a game against Collingwood Sunday.

Penetang hockey draft

A draft will be held in two weeks for Penetanguishene Recreational Hockey League. Anyone wishing to have their name in the draft should contact Frank St. Amant at 549-7109 or Terry Dahmer at 549-2650.
