

# Coldwater

by E. Lorraine Orr  
Coldwater Horticultural Society was well represented at the annual fall seminar when 10 members attended the meeting in Stayner. This was an important meeting for the Coldwater Society because one of its members was receiving a special award.

Paul Barden had been chosen to receive the Dr. Raymond E. Ives Horticultural Bursary.

This bursary fund was established in 1975 to encourage degree training in horticultural or related courses of students resident in the District 16 area (comprised of the County of Simcoe). Paul is a 2nd year student in Greenhouse Management at the University of Guelph.

Fishing in the Coldwater River is proving very rewarding for the avid enthusiast willing to brave the inclement weather.

Roe is the popular bait at this time of year and the results have been the landing of a nine-pound coho salmon at the dam for one fisherman a rainbow trout and four splake for another. Fishing below the dam is open until December 15.

Due to popular demand the Coldwater Memorial Library now has a copy of the best-seller fiction-romance "Sins of Our Fathers" by Susan Howitch. This is the second in a series by Miss Howitch, the first being "The Rich are Different". Another new book also available is "Catch If You Can" by Frank W. Abagalia. Cedar trees have been planted throughout the existing hedge to replace damaged ones. The Linden Tree Nursery will be completing the landscaping as soon as the hydro pole is removed from the back area. The interior rear wall of the library is to be refinished where it was damaged by water leaking through the roof.

The circulation report

for the month of September shows Fiction - 635; Non-fiction - 139; Juvenile - 166.

The drinking water in the village has been found to be satisfactory when tested recently by Simcoe County District of Health.

Coldwater council has rescinded the motion to charge \$500 to Medonte for use of Coldwater water, and the use of the fire hydrant when filling their tanker truck. The Bay Animal Control will receive an additional \$25 for a total of \$175 per month for including the new annexed area in their patrol.

Birthday congratulations to Debbie Godwin, daughter of Diane and Gord Godwin. Debbie celebrated her 13th birthday with several friends at her home.

Thanksgiving weekend was extra special for Brian Reid of Black Lake. This was when he passed his Basic Scuba Test. Brian has been taking scuba lessons in the indoor pool at Bracebridge with the Professional Association of Diving Instructors (PADI).

This involved two hours of diving and two hours of practical work (emergency proced-

ures, safety and learning the equipment) each night. His test was held in Moon River at Bala. Brian is the 15-year-old son of Ella and Dave Reid.

Antique bottle collectors are always poking around in out-of-the-way places looking for "finds".

It proved successful for Bruce Peters of Severn Falls last week when his search was rewarded with 1955 and 1956 pop bottles; a pop bottle with a baked-enamel finish from the Heinz Beverage Company in Orillia; an old Libby-McNeill and Libby's Limited ketchup bottle and a milk bottle from the once local, Coldwater Dairy.

The garbage collection in the village will be changed next week. FOR ONE WEEK ONLY. It will be collected on Monday, Nov. 10, instead of the usual Tuesday because of Remembrance Day.

Extra treats for the children at the Halloween celebrations at the Coldwater Public School were provided due to the generous monetary donation from the Royal Canadian Legion, Branch No. 270, Ladies' Auxiliary.

The students of kin-

dergarten, Grade 1 and 2 received candy treats and the remaining money was used for gift certificates to be awarded for costume and spot dance prizes. The children are grateful for this donation.

Although Coldwater Canadiana has closed for the season, work goes on within the log cabin. Members are busy removing all the antique articles from the museum and the merchandise from the store. Each item is catalogued and packed away for the winter. All harness is being oiled by hand, to stop it from cracking during the cold weather.

At a recent auction at

the farm of George Kent, Canadiana president, Gary Brandon, purchased for Canadiana, a tobacco plug cutter. This cutter resembles a table-top guillotine and was patented on January 20, 1885, by the Enterprising Manufacturing Company of Philadelphia, U.S.A.

On the sides of the cutter are advertisement stickers for Master Mason Tobacco and the Rock City Tobacco Company, Limited. Also purchased at the sale was a wooden grain cradle scythe. This was used by the farmers, before combines and threshing machines. The farmer would swing the scythe

into the ripe grain and the stalks would fall evenly along the rows. The above mentioned articles and many more will be on display when Canadiana opens for next season, May, 1981.

Funeral services were held recently in Coldwater for Zoa Marceleta Caswell Dunlop.

Mrs. Dunlop was a member of the Coldwater United Church and the choir. She was also a member of Session.

Mrs. Dunlop, as a

member of the United Church Women, was responsible for sending greeting cards to shut-ins and seniors. Her knitting talents produced either a pair of booties or mitts for all the new babies in the village.

Born and raised in Coldwater, Mrs. Dunlop nursed for many years at Soldier's Memorial Hospital in Orillia.

Mrs. Dunlop was predeceased by her husband Gordon and son Bill.

## Why is this man smiling?

**Two reasons.**

First, because he's a Kentucky Fried Chicken Store Manager. Which leads us to the second. His "Manager's Special." Saturday and Sunday, Nov. 8 and Nov. 9, pick up his "Manager's Special" Bucket of finger lickin' good chicken. Enough for 5 to 7 hungry people. Only \$6.95! Pick up the "Manager's Special" at Kentucky Fried Chicken.

You'll be smiling too!

15 PIECES  
**ONLY \$6.95**

**SATURDAY & SUNDAY**  
Nov. 8 and Nov. 9

**LOFT'S Kentucky Fried Chicken**
