

## EDHS Career course offered

by Liz Boker  
Suzanne Jenkins  
Do you often find you ask yourself these questions? "Am I enjoying my work?"; "Am I doing what I can do best?"; "Have I worthwhile prospects for the future?"; "Where am I going?"

A new Correspondence Course called "Career Development and Life Planning", is designed to help students answer these questions, develop life skills and gain knowledge that will help them make career decisions.

Correspondence courses are offered for individual study; unfortunately about 90 per cent of the students who apply for these courses never complete them. Having recognized this fact, Mr. Graham Shaw, Student Councillor, decided to provide a regular study session through night school. The first class of

the twenty-unit course was held this week with 15 students enrolled.

On Friday, October 31, the E.D.H.S. Students' Council organized this year's first "Spirit Day".

Students and teachers were asked to dress up for Halloween. Some of the teachers who did dress up, dressed in costumes that suited their personality. Mr. Turner came disguised as a Witch and Mr. Barz terrorized the halls in his Gorilla costume.

Quite a few students took part in this special day. Among the better costumes worn, were Dracula, Murderers, Old Ladies, Arabs and Farmers.

Throughout the day there were spot prizes awarded. At noon hour, students (and teachers) took part in a costume contest.

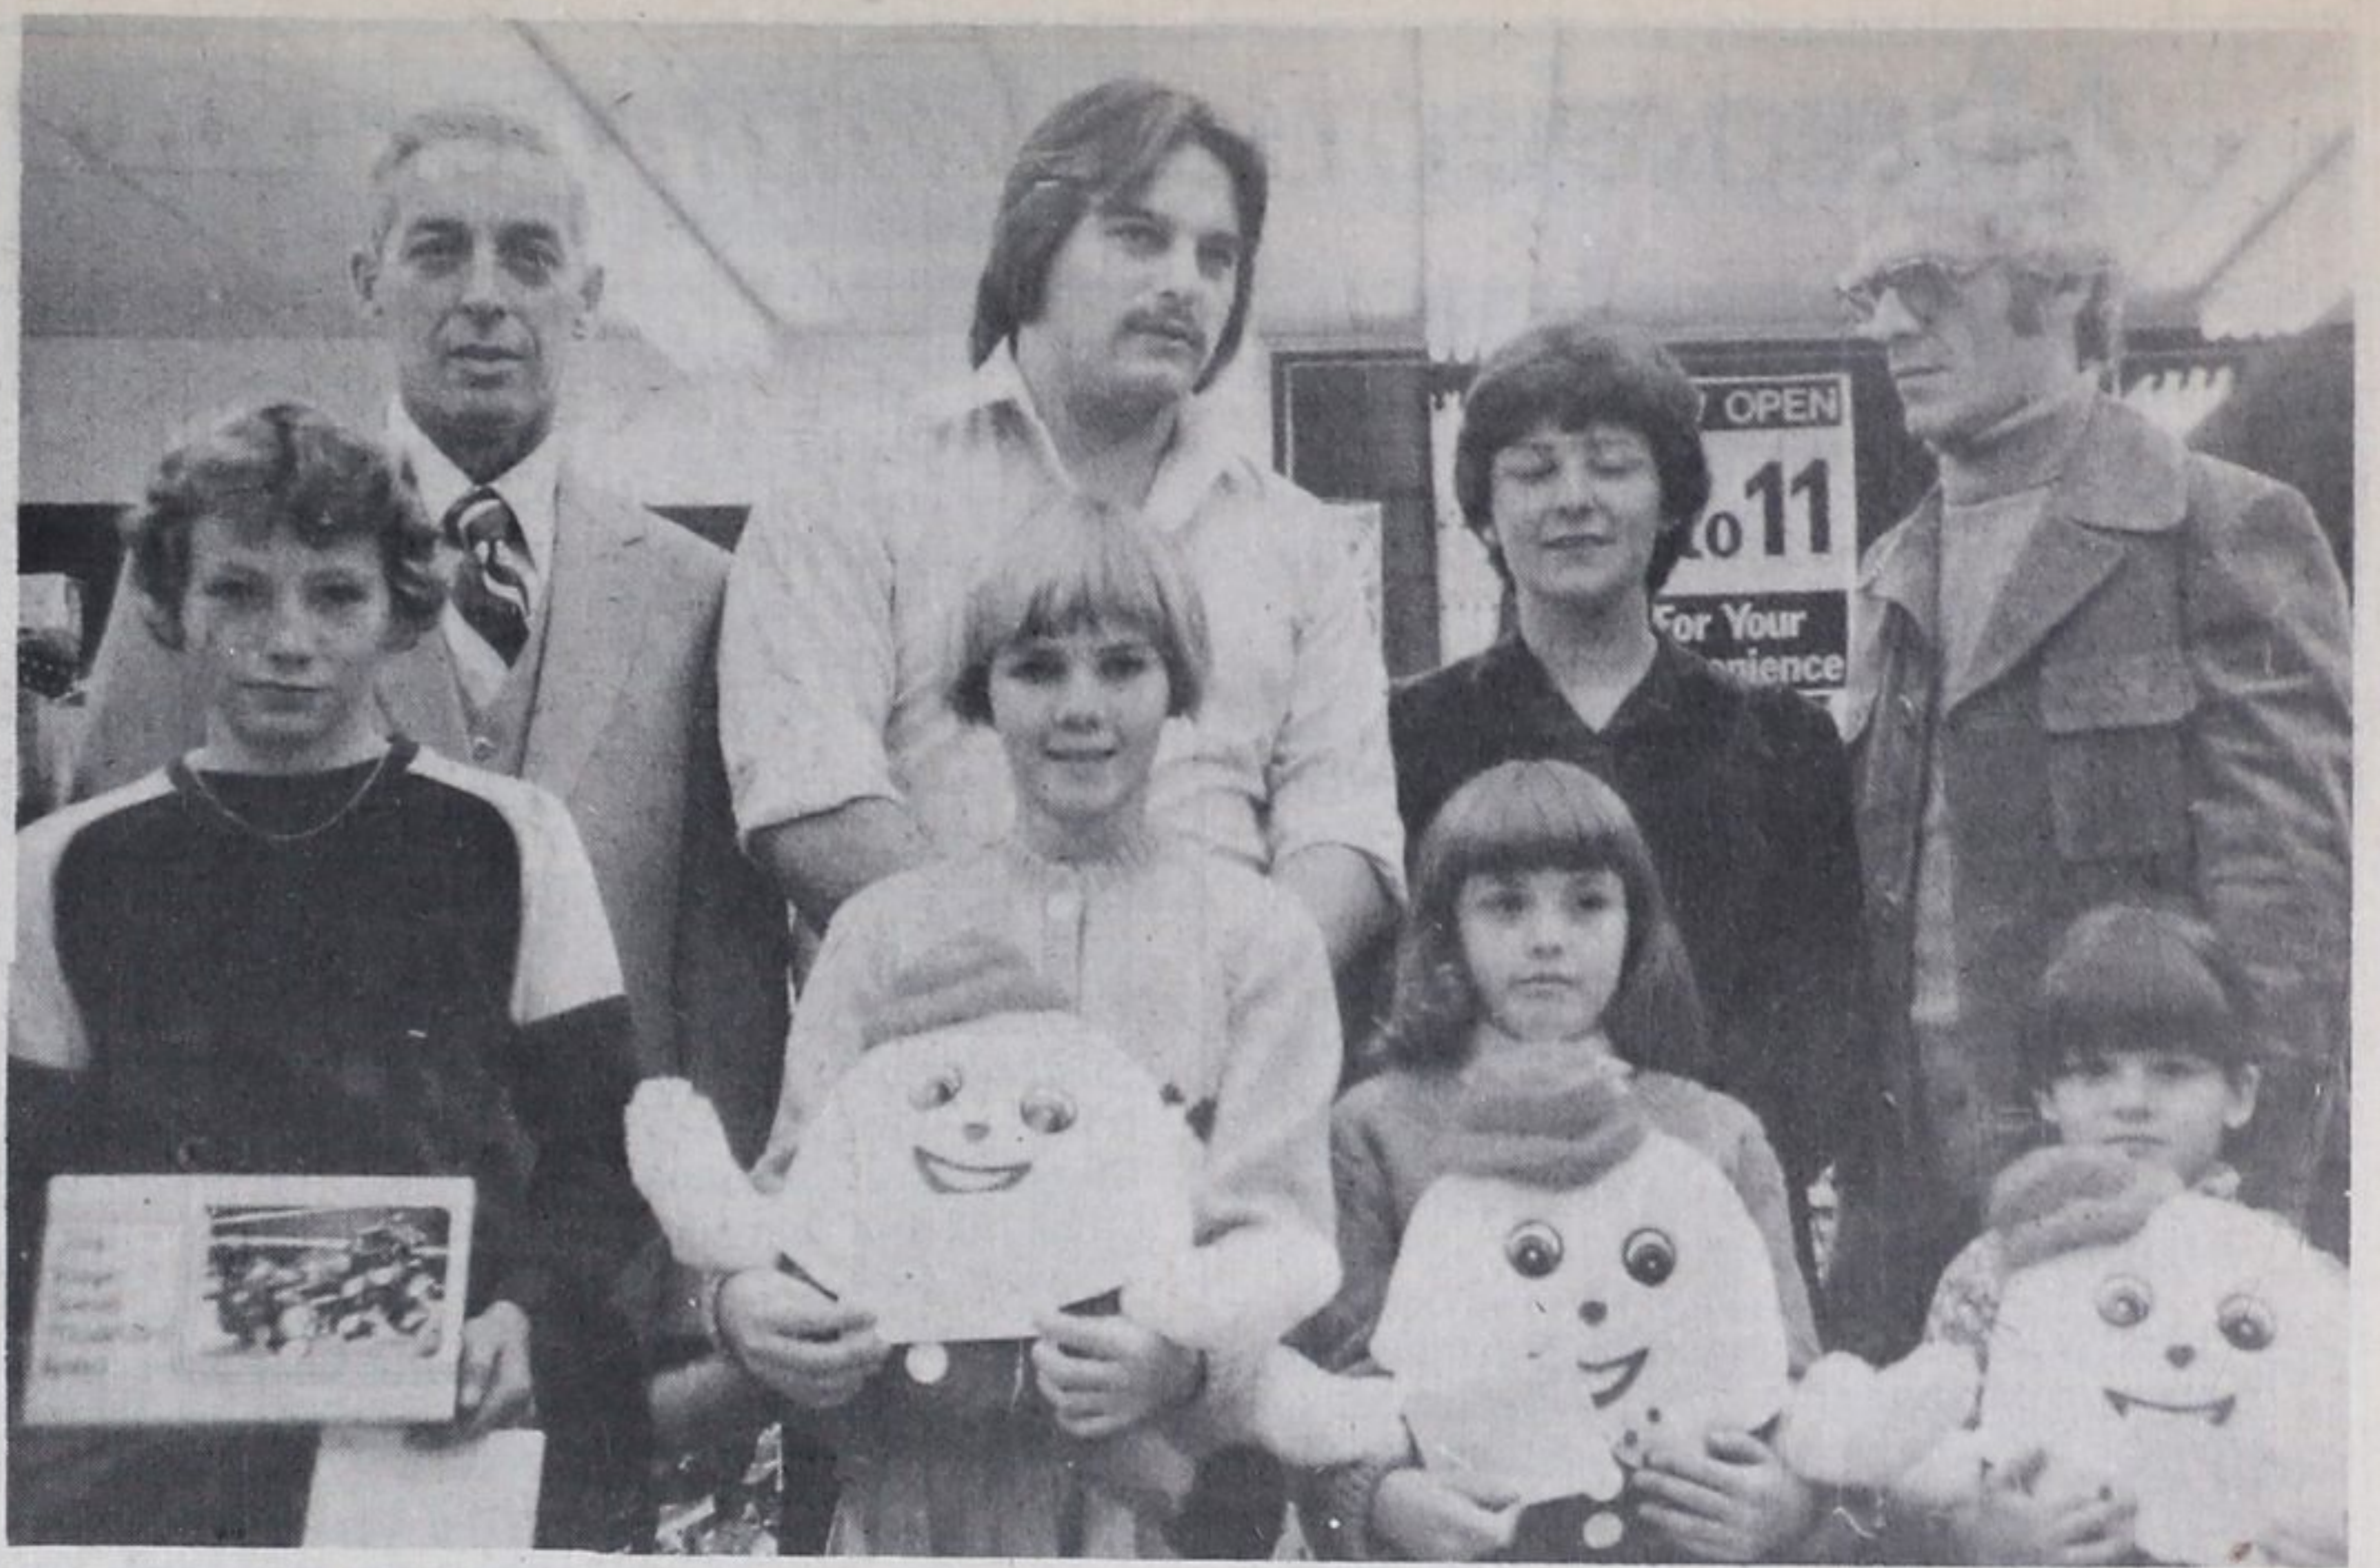

This Halloween Spirit Day was fun for those who participated. Hopefully, there will be more fun days like this

throughout the year. The Junior Boys' Volleyball team deserves a round of applause for their outstanding performance this season. This enthusiastic team was able to win itself a firm position in the championship tournament held last Friday in Base Borden.

They played victoriously, to the final game. Then their luck changed and the St. Theresa's team walked away with the trophy. This was much to be expected because earlier in the season the Elmvale team detected a sense of professionalism in this team.

None the less, the Elmvale team placed second in the league by beating every other team in Simcoe County.

According to the coach, Mr. John Turnbull, this team has had a very successful season and it is looking forward to next year.

## Some Florida sunshine at St. T's

by Charleen McEvoy  
Florida's natural fruit has come to St. Theresa's High School. The sweet juicy oranges and grapefruits arrived Monday around 3 p.m., only four days after being picked from the tree.

Students are working eagerly preparing the delicious fruit for pick up. We urge all those who ordered and have not picked up their

boxes to do so at any of the following times: Wednesday, Nov. 19 - 3:30 to 5:30 p.m. Thursday, Nov. 20 - 3:30 to 5:30 p.m., 7 to 9 p.m.

The pick up point is at St. Theresa's High School gymnasium at the corner of Dominion Avenue and George Street.

Please remember to bring your receipt with you as proof of purchase to avoid complications.

### Discount price for students

Students will be afforded a discount on admission to Friday night's game between Midland Centennials and Haliburton Huskies in Midland Centennial Arena.

It will be "students' night" and all high school students will be allowed admittance for one dollar.

Everyone is welcome to take advantage of this offer and are also invited to bring out any noisemaker they have in order to let the Centennials know that they're behind them. Game time is 8:30 p.m.

## Moose drops in...

You've heard of pennies from heaven? How about a moose? Seems an unidentified Midlander woke the other morning to find a dead moose in his backyard.

Apparently the animal was shot out of town and wandered into Midland where it gave up the ghost.

Some ghost. The man now has a well equipped freezer with roasts, moose steaks and moose-burgers.
