

Atoms provide exciting hockey

After six exhibition games, the regular season for the Atom Division began with some exciting hockey. The first game, the

Black and Gold A.E. LePage team beat the Green Machines O.K. Johnson 4-0. Shane Nichols scored a hat trick and Samuel

Buttineau put the game out of reach. David Girard proved that summer hockey school for goalies pays off with the first shut-

out of the season. In the second game, Midland IGA and Georgian Bay Real Estate played to a 1-1 tie. Kirk Maheu opened

the scoring with a wrist shot to the upper corner with four minutes left to play. With less than three minutes to play, John

Brophey, first year Atom, provided the white and blue with the equalizer. Outstanding goal-tending by Anthony

Irvine for IGA and Albert McFarland for the Bay boys had the big shooters shaking their heads.

The third game also turned out to be a goalies' duel.

In the net for McQuirter's Real Estate, Craig Kennedy played his usual "hard to beat" type hockey.

And in the opposite end, Mike Worth of Jorv's IDA showed experienced goaltending.

Scott Dion, 2nd year veteran with McQuirter's, opened the scoring.

A few minutes later, Sean Nicholson found the hole for Jory's IDA (Both goals were scored late in the third period).

On Thursday, two Midland teams will play exhibition games in Penetang: Midland IGA against Penetanguishene Nordiques at 4:45 p.m. and McQuirter's Real Estate against Penetanguishene Jets at 5:45 p.m.

goals while Gary Moore and Andrew Bowers were serving their respective penalties.

Billy Mitchell also paid a visit to the box, but Midland was able to hold off the Wasaga squad during his two minute rest.

Although the game was actually closer than the score would indicate, Midland continues to have hard luck putting the puck behind the opposition goalies.

Midland was able to ruin the shutout bid of Wasaga when David Chalmers scored unassisted midway through the final frame.

The Gervan and Jones Minor Atoms will face-off tonight at home against Elmvale at 7 p.m. Their home stand will continue next Wednesday night as Creemore will be the guest for a 7 p.m. start.
