Firefighters called out three times

Midland firefighters were called out Tuesday night during the height of an early December blizzard to snuff out a fire place fire in a Con. 1 Tay Township home.

According to Deputy Fire Chief Hal Belfry the department received the call for assistance at 8:51 p.m.

Sunday at 7:453 a.m. firefighters were summoned to RCA only to learn it was a false alarm over the department's direct alarm system and on Saturday at 7:05 p.m. smoke-eaters were called to 525 Bay St., where they snuffed out a garbage fire.

Matter forwarded to MTC

Prior to start of last week's council meeting in Tay Township, a petition was presented to councillors asking that a street light be installed at the corner of Highway 12 and Caswell's Beach Road. Since the intersection in question falls under the Ministry of Transportation and Communications it was agreed to forward the matter to the MTC.

And at this time Tay won't advertise for appointments to its various boards and committees unless some vacancies occur.

CARD OF THANKS

I would like to extend my warmest and sincerest thank you to all of my friends and co-workers for their flowers, cards and visits while I was a patient in the Huronia District Hospital and since returning home. Special thank you to Dr. Martin and Dr. Anand, the staff in O. R. and the gals in O.B. Thank you. June Parker. 98

I wish to express my deep appreciation to all those who helped with my garage sale. Special thanks to Ken and Mae French for the use of their home and to Alice French for her hospitality. Gladys Rowley. 97-98-99
