

# Elmvale remains in first place as broomball action continues

Last Wednesday in broomball action at the Elmvale Arena the first game of the night saw Elmvale hammer Wyevale by a 7-2 score. Kevin Fleming was the big gun for Elmvale as he scored three goals had one assist.

Other Elmvale goal scorers were Ivan Desroches, Ken Maw, Kirk Hargrave and Gerry Craddock.

Tim Lawson and Dave Lalonde scored for Wyevale.

The second game of the night saw Phelpston score two late goals and secure a 3-2 win over Hillsdale.

Both teams exchanged goals in the first period with Steve Loftus scoring for Phelpston, and Brian Giffen scoring for Hillsdale.

In the second period Cliff Lockhart put Hillsdale into the lead, but Brian Marley scored both Phelpston goals to give them the lead. Bill

Chambers assisted both Marley goals.

The third game of the night saw Waverley's Pat Rutledge score a

goal with just 1:21 left in the game, while his team was short-handed, to give Waverley a 1-0 lead over Medonte.

Jim Grigg managed the shut-out for Waverley.

After six weeks of broomball, we find

Elmvale in first place, still undefeated with six straight wins; Phelpston in second place; Medonte not far behind

them in third, and Wyevale, Waverley and Hillsdale all close behind and fighting for fourth spot.

## MSS' juniors come from behind

After only three practices, Midland Secondary School's junior boys' basketball team looked more than ready to start their new season Wednesday in MSS' triple gym.

MSS got off to a slow start in the game but came up in the final half of the game to win it 43-37 over Elmvale.

Poor passes and poor shot selection plagued MSS from the start of the game but they soon straightened themselves out and settled

down to playing some good ball.

The third quarter was the best for the Midland squad as they popped in 14 points during that time while Elmvale only managed eight points.

Top scorers for Midland were John Johnson with 18 points, John Hudson with nine points and Wilson Cowan with eight points.

The junior squad will play again Monday when they will go to Twin Lakes Secondary School in Orillia.

## Spiker league leader

Terry Spiker of Midland Athletics' Intermediate A hockey club is tied for league leader in total points as of Dec. 3.

Spiker has 32 points with 19 of those points coming from goals.

That number of goals gives Spiker the most goals in the league as well.

Tied with Spiker for total points is Ron Twiss of Georgetown Raiders.

(Top five spots in league scoring stack up like this:

|                             | G  | A  | Pts |
|-----------------------------|----|----|-----|
| Terry Spiker, Midland       | 19 | 13 | 32  |
| Ron Twiss, Georgetown       | 15 | 17 | 32  |
| Vytas Urbas, Orillia        | 15 | 15 | 30  |
| Lance Kealy, Owen Sound     | 14 | 16 | 30  |
| Myles McCauley, Collingwood | 14 | 16 | 30  |

# Team of the week

## Championship volleyballers

St. Theresa's High School's junior boys' volleyball team played throughout the season like champions and that is exactly what they are. The Midland squad took GBSSA championships in Haileybury,

Ontario recently along with the midget and senior squads from their school. Front row from left are: Bruce White; Brian Quesnelle; Jim Newton; Chris Emerson. Back row from left: Kerry Heins; George

MacDonald; Mike Roi, Vince Deschamps; Tim Trewin; Chris Cote; Gerard Carter. Missing were team coaches Joanne Janssen and Vicki Baziliauskas.

## PENETANG - MIDLAND GYM CLUB Gymnastics Corner

by Ken St. Amant

The Junior division is an open category designed to allow gymnasts the opportunity to continue competing at an advanced level. Due to the high level of skill development over the past five to 10 years, this category has been filled with elite type gymnasts.

Gymnastics in Huronia has been a recent development and, as a result, we find that our club has only a handful of girls at the junior level (14 years of age and over). Out of this small group, only three gymnasts are in the competitive section of our club.

### The Juniors

Anne McNamara: She has been involved in gymnastics for about five years. Last year she competed at the tyro level in O.G.F. and finished last season with an excellent showing at the Area 3 Elementary School Gymnastics meet in May. This fine 14-year-old athlete is presently attending Grade 9 at Penetanguishene Secondary School.

Lisa Vivian: This 14-year-old is a product of the Corpus Christi gymnastic program. Presently, she is in Grade 9 at Penetanguishene Secondary School.

Lisa has previous experience at the OGF as well as the local levels. At five-feet 2-inches she is one of our most powerful gymnasts.

Her favourite apparatus is the uneven bars.

Sandy McCallum: Last year Sandy was our most successful gymnast. She placed fourth in the Metro West region at the junior category. As a result, she qualified for last year's Provincial Gymnastics meet. To date, this year has been very disappointing.

Sickness and knee injuries have prevented Sandra from attending practices.

This 15-year-old is in Grade 10 at St. Theresa's High School.

### Conclusion

Due to the high level of competition at the Junior level we found that our girls needed more time to prepare themselves for these gymnastic meets. As a result, it is unlikely that they will be competing in OGF but instead, will be competing in the High School Gymnastic meets which occur in March.

These High School meets are almost as competitive as the OGF meets and we feel that our gymnasts will have their work cut out for them to get ready for these.

### Gymnastics Calendar

Saturday, Dec. 13, 1980 - 1st OGF qualifying meet;

Monday, Dec. 15, 1980 - Gym closed - practice cancelled.

Tuesday, Dec. 16, 1980 - Gym closed - practice cancelled.

## Topnotch juniors

Here are a pair of successful juniors. Left is Anne McNamara. Right is Lisa Vivian. Absent when picture was taken was Sandy McCallum, another top-notch junior.
