Parents begin fund drive

by F. Craig

Craighurst Women's Institute held their November meeting in St. John's Sunday School room. Fifty ladies were present as we were joined by members from Waverley, Centre Vespra and Dalston.

Mrs. Max Craig, Public Relations Officer, introduced the guest speaker, Mrs. Rita Caldwell of Guthrie who gave an interesting demonstration on silk flowers and dried materials in Christmas and other arrangements. A number of ladies received some arrangements as lucky draws.

Roll call was answered by naming a hobby, and handicrafts topped the list. The motto was "Coming together is a beginning, keeping together is progress, working together is success." Nancy Murphy read the comment prepared by Lois Shanahan.

The meeting was chaired by Vice-

Craighurst

President Joy Kirton.

The speaker was thanked and presented with a W.I. spoon by Mavis Burnham and lunch was served by Dina Montica, Barbara Sinton, Jean Oades, Ross Shanahan and Marv Poole.

December meeting will be held at the home of Mrs. Max Craig when boxes for shut-ins' Christmas cheer will be packed. Anyone who forgot to hand in a Mental Health gift is reminded to do so individually.

Several families took advantage of school holidays for teachers' Professional Development days to attend the Royal Winter Fair.

Mrs. Mary Kendrick spent some time visiting her niece, Mrs. Martin, in Burlington.

Mr. and Mrs. Francis Shanahan and Mr. and Mrs. Max Craig attended the Crop

Improvement Association banquet in Elmvalle Nov. 12.

Knox Presbyterian church sponsored a bus to the movie "Jesus" on Sunday afternoon, Nov. 9. Everyone enjoyed the film very much.

W.R. Best parents have formed committees to raise money to assist in the construction of a new

gymnasium. Everyone is asked to co-operate in the Christmas Bazaar and Bake Sale to be held at the school on Saturday, November 29 from 10 a.m. to 2 p.m.

There will be such features as sale of recycled toys, crafts and home baking. There will also be refreshments, door prizes and a visit from Santa is promised.

Please help this worthy effort by contributing articles for sale, and lend support by attending.

Plant addition proceeds

Work continues these days at Midland's water pollution treatment plant where a multi-million-dollar addition is being tacked on the plant to meet increased use in the future.

This week a 100-plus-ton crane was pressed into service to do some of the heavy lifting in connection with the municipal project.

Chimney fire alarm

Midland firefighters responded to an out-of-town call to Tay Township yesterday at 12:13 p.m. where a chimney fire was quickly snuffed out.

It was the first call firefighters have had to respond to since alarms Tuesday.
