

## Work is key to Sonix' success

Due to a scheduling problem, Mr. Submarine Sonix of Ontario Volleyball Association's men's division were forced to forfeit six games in their November schedule.

This may have greatly cramped their chances at making senior B qualifications this Christmas holidays. Nevertheless, the squad is ready to work and they could qualify for all-Ontario "Intermediate" Men's Championships in April. Their play Sunday at West Hill Collegiate in Toronto showed that they're ready to work as they recorded five wins

and one loss in six games in the tournament held there.

The first team they came up against were the Renegades which the Sonix took all three games from 15-9, 15-4 and 15-4.

They then battled the Huskies, winning the first two games 15-13 and 15-9 but dropping the third game 15-8.

The tournament draws to a close the Sonix' fall season which they finished with a seven win and 11 loss record.

They will now play 36 games between January and March of the new year.

## Scoring race league leaders

In the scoring race in Midland Recreation Hockey, 10 out of the top 13 scorers are on the leading three teams, Hebner's Taxi, Duggan's Polar Kings and Olympia Sports.

The three players that have managed to crack the elite lineup are Brian Phillips of Athenian Flyers, Keith Bath of Performance Sports and Don Lefaive of Athenian Flyers.

Bath is in second with Phillips in third and Lefaive in 10th spot.

Ken Hamelin of Hebner's Taxi holds onto the prestigious first place berth.

Full league scoring standings follow:

## Midland YMCA programs

by Doug Trace,  
program director, Midland YMCA

New Year's Eve Babysitting will be returning to the Y this year.

This is another great service we offer that allows your children to participate in creative activities and games.

It also allows you a great opportunity to find competent babysitters and be able to sleep in the next day. The Y will take care of your children (ages three - 11) from 7 p.m. New Year's Eve until noon New Year's Day.

We provide breakfast, good leadership and lots of activities. Registration forms are now available and we encourage you to register early because numbers are limited.

The Pre-School Christmas Break program will be taking place during the mornings of Dec. 29 and 31.

This program is open to all pre-schoolers, and will consist of activities such as crafts, gym, tobogganing, skating and hot chocolate. Registration can be made for either one or two days and is offered for those two to five years of age.

The Christmas Break Day Camp to be held on Dec. 29, 30 and 31 is open to all children six - 12 years of age.

This should be a fun event for all those involved. Campers will be making use of the excellent facilities at the Y, in Little Lake Park and also other places in Midland. This program will feature many special events and will provide an exciting three day program.

Another new program at the Y in December will be a Beginners Bridge program starting on Monday the 8th. Sid Griffith will be instructing all the basics of bidding, opening trump, etc. of this great card game.

Square dancing will also be a new program starting on January 11, 1981. Come out and have a good time learning the difference between promenades and Do Se Dos'.

Become involved in the best of both physical and non-physical recreation activities at the Y and remember a Midland YMCA Membership makes an excellent Xmas Gift.

For more information contact the Y program Department at 526-7828.
