

Shamrocks explode in third period to down Kings

Penetanguishene Kings Jr. C hockey club were held quite convincingly to a 4-1 deficit Friday night in Penetanguishene Arena by Parry Sound Shamrocks.

Parry Sound scored a goal in the first period with a man advantage three minutes into play. The rest of the game was filled with well played hockey and lots of scoring chances for both teams.

Penetanguishene scored their only goal half way through the second period, Doug Gillespie doing the honours for the Kings. Assists were given to Chris Anderson and Wayne Dixon on the goal.

But that's where the Shamrocks moved out as they dominated the third period with three quick goals.

Big scorer for Parry Sound was Jeff Barks with three goals, one of those unassisted.

In net for Penetanguishene, Paul Goodine faced 32 shots while Penetanguishene fired 30 shots on Parry Sound's Ian Gallagher. It was a particularly rough game with 55 minutes in penalties being handed out between the two teams.

Of those 55 minutes, 28 were given to Penetanguishene.

The majority of penalties were for roughing with an unsportsmanlike conduct being given to Gerry Lethbridge of Penetanguishene and a game misconduct handed to Brian Emery of Parry Sound.

Penetanguishene Kings will play in Bracebridge Friday night, that game getting under way at 8:30 p.m.

Athletics really felt let down

Midland Athletics Intermediate A hockey club really felt the letdown from Thursday night's game against Barrie as they travelled

to Barrie Friday night for a return game which they lost 9-3.

The night before they had lost a close game by a score of 5-4 but the

way they played the following night was nothing compared to Thursday night's classic.

Barrie jumped into a

two-goal lead by the end of the first period.

Midland did manage to score early in the second period with a goal from Terry Spiker

unassisted.

Barrie pumped in four more goals than as Midland's defence seemed to disintegrate.

Midland organized themselves enough to stop Barrie while they scored a goal of their own.

Bill Arbour popped the puck in the net for Midland on the play with Spiker getting the assist.

Barrie rounded off the scoring in the second period with one more goal to make the score 7-3.

Midland just couldn't get up enough steam at this time and Barrie scored two more goals in the third period to finalize the score at 9-3.

One shining point of the game was that only eight minutes in penalties were called on Midland, six of those to Larry Trotter.

The on-again, off-again performance of the Athletics is definitely puzzling to their fans and must be solved before it is too late to correct this problem.

MINOR ATOM REPORT

by Jennifer Chalmers
Gervan and Jones Minor Atom squad dropped a 6-1 decision to Elmvale last Wednesday night at Midland Centennial Arena.

The Midland crew were caught out of position on numerous plays and Elmvale had

little difficulty in running the score to 3-0 before the second period had ended.

The scoring flood gate opened with 25 seconds remaining in the second period when Jimmy Ball was penalized for tripping.

Elmvale fired their fourth goal with seconds remaining in the period and continued their drubbing in the third period with two more goals to take a commanding 6-0 lead.

Midland did manage to rally briefly in the

third period when David Chalmers stole the puck at centre and beat one defenseman to score the lone tally.

Midland Gervan and Jones Minor Atoms will face-off at home tonight at 7 p.m. against Creemore.

Athletics give Barrie a scare

Midland Athletics Intermediate A hockey club played a close game Thursday night in Midland Centennial Arena as they just missed coming out on the right end of a 5-4 win.

Midland started off the scoring in the first period with a goal from Ross Prentice, the assists going to Terry Spiker and Wayne King.

Midland took a two-goal lead early in the second period when Bill Beauchamp pumped one in the net with help from Wayne King and Larry Trotter.

Barrie came back with two quick goals but Midland went ahead once more as Larry Trotter took a pass from Bill Beauchamp and Bob Monteith with eight minutes remaining in the second period.

Barrie tied it up once more before the end of

the second period though to make the score 3-3.

Hugh Robertson and Ross Walten were ejected in the second period on game misconducts which really hurt Midland as Barrie came on

stronger.

Barrie took advantage of Midland's loss of manpower as they scored to go ahead early in the third period.

But Midland fought back with a goal by Wayne King from Ken Knapton and Bob

Monteith.

It was neck and neck from that point on but Barrie gained the upper hand with one more goal five minutes remaining to play.

They successfully held onto their lead over Midland to take the game 5-4.

Minor Atoms downed in Stayner

by Jennifer Chalmers
Midland Gervan and Jones Minor Atoms were in attendance at the Stayner Atom Tournament with a game on Saturday and one on Sunday.

The teams sputtering offense ran true to form as they managed only one goal in each game while giving up three in each match.

Brantford handed out the first defeat with a 3-1 score and Jimmy Ball was the lone sniper for Midland.

Orangeville provided

the second loss as they hustled to a 3-1 victory.

Scott Bales rapped in the single score for Midland in that game.

The Midland crew displayed improved determination and effort during their two matches but th effort was misplaced as the

individual style of play was not enough to ward off the team attacks provided by the opposition.

The duo of defeats makes it four in a row as the team has been outmaneuvered in their last eight games for a total of 30 goals to 12.

This is my tenth year I can look back in these records and see what implements or cattle I have bought or sold over these ten years. It is very handy to give to your banker. It makes income tax filing very simple at the end of the year. I use an accountant. It takes me about two hours per month to make the entries.

James McCague

Cuts down on the work of bookkeeping. It sure simplifies things when income tax comes around. Our accountant really appreciates it. It is money well spent.
