Worthwhile season after all!

Bayview Public School's girls' volleyball team, shown here, seemed to come up against a brick wall when they played in Simcoe County volleyball championships in Orillia on Saturday as they went winless throughout the day. The Bayview squad won area three championships last week though and that makes their season worthwhile after all.

Front row from left: Dana Carson; Lee Jeannotte; Gayle Armstrong and Sheri Higgs. Back row left: Katy Gorab, mng.; Lori McVean, Donna Cowan, Jo-Anne Brown and Britt McKerrow. Absent were: Paula Lynn; Sue Presse, coach and Ray Brien, asst. coach.
