

# Band concert well received

by Andrew Nichols  
The Midland Secondary School Concert Band and Singing Group teamed up Thursday to provide a full house of forum ticket holders with a fine show of musical

strength. The program began with two Christmas pieces followed by a sing-a-long of traditional numbers led by Mr. Yelland. The girls singing group

then provided the audience with five selections. The most touching part of the program came when Mrs. McCullough announced the playing of John Lennon and Paul

McCartney's modern masterpiece, Sgt. Pepper's Lonely Hearts Club Band.

The recent and tragic death of Lennon bore heavily on everyone's mind as they welcomed

it with a heavy round of applause. More carols were then

sung and the program concluded with selections from the Broad-

way Musical Chorus Line and two more carols.

## The quiet of Christmas
