Dec

past year and their boys' volleyball teams are no exception.

Their three boys' volleyball teams won OFSSA championships for their second year in a row.

Elmvalle Colts were winners as they took the Elmvalle Men's Flag Football League championship 16-15 Nov. 22.

In Penetanguishene Flag Football, the eventual winners were Athenian Raiders who defeated Redskins for their second championship in a row.

They won the game over the Redskins by a score of 14-13.

Football fever was alive in November, especially when it came to the Grey Cup competition between Edmonton Eskimos and the Hamilton Tiger Cats.

Edmonton won the game quite easily with a 48-10 point spread.

Midland Athletics won their first and only game so far this season as they won 7-4 over Port Elgin Sunocos Nov. 14.

The win can be attributed largely to the handling of the team by their new playing-coach, Wayne King.

The effect of a new coach unfortunately wore off and they have elapsed into the losing ways of the beginning of their maiden season.

Brian Orser of Penetanguishene finished off 1980 with a sixth place spot in Skate Canada held in Calgary the week of Nov. 5.

Midland Centennials manager, Tom Garner filed a complaint in December, stating that the Kings were playing three players that should be signed for the Centennials.

Todd Clarke, Brad Copeland and Paul Goodine were those players and it was the OHA's decision to send Clarke to Midland.

Midland Athletics were in the news again in December, this time because they were announcing their new training staff.

Keith Kennedy and Shawn Stewart were filling the position vacated by Randy Vincent.

The curling rink of Lynn Morton, Diane Vollick, Marg Bourgeois and Vivian Shaw won District 10 Ladies Curling Playdowns for their second year in a row in Midland Curling Rink.

Sacred Heart School in Midland had some champion volleyball players as their boys' volleyball team became champions Dec. 14 by defeating St. Bernard's at St. Theresa's High School in Midland.

Mike Miller of Midland won the raquetball tournament in Midland YMCA Dec. 15 and Parlour Games men's volleyball team guaranteed themselves a second place finish in the Ontario Volleyball Association play.

That made them eligible for senior A qualifying rounds that will be held in the new year.

Senior B ladies' volleyball team, Here's

Lookin' Atcha, failed to qualify for senior A qualifying rounds despite a good showing.

Bayview Public School in Midland had a chance at making their mark in Simcoe County Volleyball Championships as their girls' volleyball team took the area three title.

They, however, faced some very tough competition in the county wide contest and had to settle for the area three title.

Winners in the eighth annual Elmvalle Invitational Men's Bonspiel Dec. 11, 12 and 13 was the rink of Bob Ruston, Red Desroches, Martin Robillard and Al Fournier.

And lastly, Midland Athletics continued to make headlines even though they couldn't seem to win any games.

It was late in the year

that their problems with consistent player turnout were aided with the arrival of six new players.

Sean McGuirk and Dave Sarson filled in for their two regular goaltenders who had recently quit the team.

The four new forwards on the A's squad were Larry Trotter, Dwayne Storey, Gary Lizotte and John St. Amant.

Midland Athletics' Terry Spiker has spent the majority of this season in the top spots of

league scoring, most of that time in the prestigious top place.

For this achievement, Spiker was chosen Molson's Player of the Month and awarded a Molson's Sports bag.

Yes, it's been a busy year for sports in

Midland-Penetanguishene and 1981 should be even better with more young athletes making their names known.

Sports excellence is alive and well right here in this area and we should do all we can to encourage it.

Midland ad hoc team finalists

A team of peewee aged players from Midland's house league hockey program attended the Knights of Columbus hockey tournament in Barrie on Monday and gave a very good showing, making it to the finals.

The team was made up of players from Midland Police, Century 21, A and W and the Midland Times hockey teams.

Four players from each team were supposed to play but some could not make it.

Altogether, 12 players attended the tournament for Midland in which they played three games.

Players attending the tournament were Dale Clark, Gary Asselin, Sean Graham, Jonathan Pike, Brian Milligan, Isaac Houston, Todd Armstrong, Kent McDonald, Orten Crawford, Dean Malot, Jeff Rodney and Danny MacCallum.

In their first game, the Midland team played Barrie's number two peewee team and came up with a 5-2 win.

They played a team from Orillia in the second game and won that one 7-4.

In the finals, Midland played Barrie's number one peewee team and were handed a 6-0 loss by the much stronger team.

Top scorer for the Midland team was Isaac Houston with seven goals while Dale Clark popped in three goals.

Singles were scored by Gary Asselin and Jeff Rodney for Midland.

The team was coached by Jonathan Fike, Sr. and he was assisted by Orten Crawford, Sr. in heading the team that played in The Midland Times sweaters for the tournament.
