Always the little things

It was time for last minute repairs at Maple Valley's snowmobile races held this past weekend for Grant McKinlay of Whitby and his crew.

McKinlay placed 10th after the second day of competition and never really got up any further than that because of mechanical problems.

Learning the proper way

Peggy Brown explains the proper way to start a snowmobile to a crowd of young would-be snowmobilers that attended a safety course Monday and Tuesday at Maple Valley snowmobile

club. Brown is a master instructor of snowmobile safety for the Ontario Snowmobile Federation and she says this course has been known to save many lives.

Best practice in world

They say that there's nothing better for a practice than an actual game and the Midland minor atoms took that theory to heart Dec. 26 and 27.

They attended a two-day minor atom tournament in Orillia on those days in hopes that the game situation would help them get ready for their game today against Midland major atoms in Regional Silver Stick competition.

In the Orillia tournament, Midland minor atoms played Orangeville and won the game 3-2 with good goaltending being the story behind the close score.

Gary Moore scored Midland's first goal from a relay shot by Jimmy McLaren.

Scott Bales scored Midland's second goal on an unassisted play with Todd Weatherall shooting for the game winner, Jim Ball getting the assist.

Midland came into the second game feeling pretty good about themselves and as it happens most often, they were let down with a 3-1 loss at the hands of Goulding Park.

Their third game saw the Midland squad return to their play of the first game as they had Brampton wondering about who they were actually playing against.

It was all Brampton could do to hold Midland off and to keep them from scoring.

But this they did as Midland went down in defeat by a score of 2-0.

Here are some security tips

by Carol Crawford

Lock every locking device on your door any time you are in your hotel room.

Don't respond to random knocks on your door without knowing who it is.

Place all valuables in the hotel safety-deposit box.

If you plan a long evening out, turn a light on in the hotel room, leave the TV or radio playing softly and place your "Do Not Disturb" sign on the door.

Never place the "Make Up This Room Early" sign. This only indicates to an intruder that you are out of the room.

Carry as little cash as possible. Make use of credit cards and travelers' cheques.

Keep your wallet in an inside coat or front pants pocket.

Do not flash large amounts of cash or jewellery.
