Howard going to provincials

The rink of Glenn Howard of Midland will be competing for the Pepsi-Cola Junior Men's Curling championship this weekend at Windsor's Roseland Municipal Golf Course.

Howard is an 18-year-old student at Midland Secondary School and he is joined in his rink by Paul Harbottle, Peter Mount and Tim Tully, all Midland area residents. Harbottle, Mount and Tully are away attending various universities right now, but they will be back for this weekend's competition.

The four recently gained recognition when they won the Toronto Curling Association's Sun Life Junior Bonsel with the first prize being a week long trip

to Scotland during the March Break where they will play a series of five exhibition games.

Howard's rink was in the provincial competition last year as well but lost out in a tie-breaking playoff game with John Kawaja of Toronto.

Kawaja's rink almost won the national championship but lost the game on the final shot of the match.

Howard's toughest competition will be far from the rink of Nick Rizzo of Glencoe who won the junior title two years ago when he was competing for the Brant Curling Club.

Also competing in this year's tournament will be Brian Gallant of R.C.M.P.

Curling Club, Jeff Parsons of Unionville, John Base and John Brooks of Oakville, Ken MacDonald of C.F.B. Trenton and Mike Altenhof of Kingsville.

Round robin play will begin Friday morning at 10:30 a.m. and the second draw will commence at seven p.m. the same day.

Action Saturday will take place at 10:30 a.m., 3 p.m. and 8 p.m.

Sunday's play will start at 9:30 a.m. and the final game will be played at 2 p.m. with a tie-breaking game at 7 p.m. Sunday night should one be necessary.

During that tournament, all teams will be guests of Princeton Motel in Windsor.

Midland Tykes score high marks for scoring

Mike Bossy of the NHL scoring race has nothing on Midland's Tyke Division House League when it comes to high scoring.

In the last three games played in that league, 28 goals were scored. Bertram's Fuels getting the majority of that total.

Friday in Midland Centennial Arena, Bertram's Fuels came up with two wins out of three games against Ron's Gas Bar.

Top scorers for Bertram's were Trevor Quesnelle with six goals

and Sean Taylor with seven goals.

For Ron's Gas Bar, Corv Bell and Bruce Ladouceur each scored four goals.

In the first game, Bertram's won 7-2 but Ron's Gas Bar came back to take the second game 5-3.

The final game was an exciting one indeed with either team having many chances to score but in the end, it was Bertram's Fuels who came out on top with a 6-5 win.

The two teams will

next play this Friday at 6:15 p.m. in Midland Centennial Arena.

There is also a special note from 'The Coach' who would appreciate

the players showing up for more practices and games.

Jumping (Bill Harman) Jack

Bill Hartman of Midland Commodore Hotel Intermediate Men's basketball team tried for the basket in Monday night's game in Midland Secondary School's triple gym when they played

King City Stingers, but he missed on this particular shot. Hartman, however, made other shots along with his teammates who defeated King City 93-72.

Major Atoms take battle 4-2

Midland Bell Canada Major Atoms were winners Saturday night in Penetanguishene Arena as they downed Penetanguishene Major Atoms 4-2 in an exciting and totally unpredictable game.

The game was scoreless throughout the entire first two periods despite a double penalty imposed on Midland late in the first period and a similar set of penalties incurred by the Midland squad in the middle period.

Midland was shorthanded early in the third period as well but this time, it worked to their advantage.

They got in behind the Penetanguishene defence while they were putting on the press, Midland scoring to go ahead 1-0 only 2:30 into that period.

Mike Larmand scored the goal for Midland with Tim Jenkinson getting the assist.

Midland's fifth penalty wasn't as lucky for them though as Penetanguishene worked their way in on the Midland net and tied the

score and then went ahead with their second power play goal all while Midland was shorthanded.

Then, it was Penetanguishene's turn to take a penalty and Midland's Larmand took advantage of this fact with a pass from Pat Bowers and Brad Wadge to even the score at 2-2.

Only one minute later, Bowers put Midland ahead 3-2 with assists going to Larmand and Wadge.

Bowers not only scored the winning goal but he also scored the insurance marker with 1:16 left to play in the game.

Cowan hits 50 goal mark

Carl Cowan of Penetanguishene Jr. C Kings hockey club has hit the magic mark of 50 goals for the 1980-81 season.

Combined with his 63 assists, that gives him 113 points, a figure well ahead of his teammates.

Doug Gillespie is his closest competitor on his team who has 38 goals and 44 assists for 82 points.

Midgets tie Creemore

Midland Stoneleigh Minor Midgets came up with a 5-5 tie against Creemore Minor Midgets Friday night in Creemore Arena after a lot of exciting hockey action had transpired.

Peter Quilty and Steve Charlebois scored two goals each for Midland in that game with Tim King getting a single marker.

That game was followed by a match between CKVR No-Stars and Creemore's bantam team
