Craighurst

Community mourns

By: P. Craig

This community was saddened by the sudden passing of Elsie Pedlingham whose funeral was held at St. John's Anglican Church on January 16. She will be greatly missed as she was always involved with service to her church and community.

She was a Life Member of Craighurst Women's Institute and had held many offices during the years. She had served on the Parish Advisory Board of St. John's and was

treasurer of the ACW.

Born in England, she came to this country with her husband Charles Edward Pedlingham shortly after their marriage. They moved to Craighurst in the late 1930s, and operated a vegetable and tree farm.

Left to mourn are her husband, Ted, her daughters-Genevive (Mrs. A. Freeland) of North Bay, Helen (Mrs. A. Peacock) of Bolton, Marv Ann (Mrs. R. Miller) of Angus, and

sons Geoffrey and Peter at home.

Craighurst W.I. is sponsoring Euchre Parties in the Community Hall. The next one will be held at 8 p.m. on Friday, Feb. 13.

The annual Vestry meeting of St. John's church was held on Jan. 22 at the church.

Wardens for 1981 are Murray Greaves and Lou Tatton. Synod delegate is Carol Crowe.

Sidesmen are Allan Sinton, Max Craig, Neil Craig, Darren Tatton, Bob Crewe, Ron Trivett,

John Williams, Judy Williams and Barbara Sinton.

The Parish Vestry of Craighurst, Midhurst and Minesing was held here on Monday evening, Jan. 26, with a good attendance.

Parish Treasurer Joyce Sinton reported financial matters were in good shape. General liability insurance is to be increased. Service times were discussed and agreed upon. It was decided to make no change in the parish name.

Congratulations to Vick and Terry Menaul on the birth of a daughter at Royal Victoria Hospital on Tuesday, January 13. Melissa Joy is a new grand-daughter for Mr. and Mrs. Geo. Kirton.

Mr. and Mrs. Brian Pratt and Neil Craig attended the annual meeting and banquet of the Barrie Agricultural Society at the Barrie Raceway on Tuesday, Jan. 22.

Mrs. Mavis Burnham and Mrs. Marjorie Bell are leading the new 4H project which is a sewing one this time.

Craighurst W.I., under the convensorship of Mrs. Betty Veitch, had as their guests several young people who are attending

Central Collegiate. They were Pat Theibaut of Belgium, Jukka Santonen from Finland, and Andre Baumgart and David Evans of Barrie.

Pat and Jukka are visiting Barrie as guests of the Rotary. They showed slides of their home country and told us a little of their impression of Canada.

Andre described some of his adventures as a Rotary exchange student in Brazil.

Dave, who has lived in Nigeria, ran the projector and helped supply a word or phrase which eluded our guest for the moment.

Needless to say we were fascinated by these pleasant, unassuming visitors who answered many questions and queries with such good grace.

We certainly wish them well as they go on with their education.

February meeting will be held Feb. 17 at 6:30 in St. John's basement. This is our International Night pot-luck supper when husbands and family are included.

Programme convenor, Mrs. Vivian Ivy, has invited Mr. Gerry Allaby of Georgian College to be guest speaker.

Wyebridge news

Doug and Sandra Reynolds had company staying with them last week. Sandra's friend, Jane Walker and her two and a half year old twins, Michael and Andrew, from Toronto, enjoyed their stay.

Two weekends ago, my brother Alan, from Grimsby paid us a four day visit. Alan is planning to attend Georgian College this fall and used the visit as an opportunity to tour the campus. Among other weekend activities, Alan tried his hand. (or should I say feet) at cross-country skiing.

Across the road, Stu and Peggy Withers welcomed their son, Jim from Toronto, home for a couple of days, the same weekend.

Jim too, took advantage of the weather and enjoyed a lengthy

ski accompanied by Alan and Liz.

May we be among the first to wish Lyndsay Preston a happy Birthday. Proud parents, Garv and Darlene, along with sister Lisa, inform us that Lyndsay will turn three years old this coming Monday, Feb. 9.

SHOCK TALK

Ice storms, high winds or fallen tree limbs can bring hydro lines down. And even a fallen wire that seems dead can be dangerous.

So don't go near the wires, warn others not to and report the fallen wires to your local hydro or the police as soon as possible.

If a line falls across your vehicle, stay inside until a hydro crew removes the line. If there's a live power line touching your car, putting even one foot on the ground can be a fatal move to make.

Electrical safety is no shock to you.

How can you not afford a \$3,120 tax break!

Did you know that you may be entitled to \$3,120 or more in the form of a tax credit over a one-year period for each new job you create?

By creating a full-time job for 3 months or longer, you may be eligible to take advantage of the Employment Tax Credit Program.

and even multiply it!

The tax credit you receive through this program may even be multiplied by the number of jobs created.

But hurry. The program ends March 31, 1981.
