

Rumney team on a streak, Quesnelle closing gap

Debbie Rumney of St. Margaret's Bowling League is on a streak that has seen her win seven points every week since Jan. 5

Their play night in Bayshore Lanes in Midland proved they were earning their points as they bowled over a 1,200 total for the

team. Rumney's team has now won 14 games and lost only one game for 33 points. Theresa Quesnelle is

not in pursuit though with 11 wins and four losses with 26 points while Aggie Burgess has nine wins and six losses for 22 points in third.

June Burtch is next with nine wins and six losses for 21 points and Brenda Widdis is close behind her with eight wins and

seven losses for 19 points. Rick Newman and his wife Audrey occupy the next two spots with 16 points and 14 points respectively.

standing after this week's action. Alva Campbell has the high average for ladies at 198, one pin below last week's total and she is facing some competition in Ann Deguire and Stella Wright who both have a 194 average.

Campbell also holds the ladies' high single at 311 while Deguire has the ladies' high triple at 722.

High scores for this week were numerous but the outstanding scores were bowled by John Bridges with a 304 for men's high single, John Dyett with a high triple of 714, Brenda Widdis with a 307 single and Stella Wright with a 691 triple.

All four received a bowling glass for those totals.

Peewees win two shutout games

Midland Civitans Major Peewees took two games this past week over Base Borden, Tim Copeland registering a shutout Wednesday in Midland Centennial Arena and Blaine Dusome also getting a shutout Friday night in Base Borden.

Friday, Midland blanked Base Borden 4-0, their first goal coming eight minutes into the

first period from Peter Lalonde with assists going to Chris Duckworth and Bruce Busch.

The second period in that game was scoreless but in the third period, Midland came out with all guns blazing, dumping three goals in the net in the final six minutes of play.

Duckworth scored unassisted for Midland's first goal of

that period, with Archie Merides getting the next goal. James Savage assisting on the play.

Pat Marchand counted for the last goal Midland scored, that goal coming with 55 seconds left to play in the game.

Kevin Marchildon and Jamie Cadeau assisted on the final goal of the game.

Tim Copeland recorded the shutout for

Midland in that game.

In the second game Friday night in Base Borden, Midland won 5-0 with Blaine Dusome getting credit for the shutout.

Dusome was actually hurt with two minutes left in the game and replaced by Tim Copeland but for all intensive purposes, it was Dusome who earned the shutout.

Scoring for Midland were Pat Marchand and Danny Sallow with two goals apiece, Eddie Richardson scoring the

fifth goal for Midland.

Getting assists for Midland were David Bressette, Bruce Busch, Jim Norton, Jamie Cadeau and Danny Sallows.

Midland scored four goals in the final period, their first coming early in the second period.

Base Borden's coach was ejected from the game with two minutes of play left in the second period for verbal abuse directed at the referee and that gave Midland the control of the game from then on.

Rough play dotted Olympia win

Olympia Sports downed Athenian Flyers 8-3 in Midland Recreation Hockey Monday night in a rough and ready game in which there were 17 minors, one major and one misconduct handed out.

Earl Cousineau and Rick Lefaive each scored two goals for Olympia Sports while Jim Vaillancourt, Rick Duval, Willard Cadeau

and Terry Archer all scored single markers for Olympia Sports.

Scoring for Athenian Flyers were Gary Buttineau, Ken Edgar and Don Lefaive.

Duggan's Polar Kings won their match with Performance Motor Sports 10-4, Dave Gamma scoring a hat trick for the winning team.

Mike Laurin and Gary Preston both scored double markers for

Duggan's with singles coming from Mike Huffman, Tom Borsa and George Adams.

Hebner's Taxi won their game against Roadrunners, 7-3, Earl Rothery getting two goals and Gord Paul scoring a single marker for the Roadrunners.

The wins put the three top teams two points ahead of last week's total but doesn't change the standings any as Olympia Sports maintains first with 30 points. Hebner's Taxi has second with 25 points and Duggan's Polar Kings have 24 points for third place.

Athenian Flyers, Performance Motor Sports and Roadrunners stay in fourth, fifth and sixth spots with 18, 11 and 6 points respectively.

'C Plus', 'Alpine League' both take top honours

For the first time in a long time, Midland's "C Plus" Ski Team and the Midland "Alpine League" both won their weekend races at Midland's Mountain View Ski Hills.

It has usually been that one or the other would win but this time, they both took top honours.

Midland "C Plus" skiers, aged 7-13 years old defeated Kawartha Peaks 96-78, Steven Thorpe taking first place for the Midland team Saturday.

That's his third straight first place finish and he only has one more race left to make it a perfect run for the season.

Also finishing in the top positions for Midland were Bruce Lynn in second, Ray Lepage in third, Chris Goldsmith in fourth, Stuart Leitch in fifth, Mike Ross in seventh and Mark Aston in 11th.

Finishing for the girls were Meredith Leitch in third and Lisa Callow in sixth.

Former Keego wins five medals

A former member of the Keegos now living in London, Ontario, won four gold medals and one silver medal in an Ontario championship swim meet held in Brantford, Ontario, on the weekend.

The girls on the team were Stacey Leitch in third and Andrea Brennan in sixth.

Morton ties for third in Curling Finals

The Midland rink of Lynn Morton has certainly had better days than those it spent at Port Arthur Curling Club competing in the All-Ontario Ladies' Curling Finals Monday, Tuesday and Wednesday.

Morton's rink began the competition off right with two wins, the first coming Monday morning 9-4 over Humber Highland in 10 ends and their second win 7-6 over Thunder Bay that afternoon in 10 ends.

Everything began to go sour the next day though as Morton's rink lost to Sudbury 9-3 in 10 ends of play and also dropped a second game the same day to Ottawa.

But the real drubbing came for Morton's rink Wednesday as they were forced to throw in the towel at the end of the eighth end after a 13-2 deficit had built up in St. Catherine's favour.

Sudbury won the trip to Newfoundland Feb. 23 where they will compete in the Lassie Canadian Finals, finishing with a five win, no loss record.

St. Catherine's was second with three wins and two losses while Morton finished in a three way tie for third place with Ottawa and Humber Highland with two wins and three losses.

Morton's rink has had some good times this season as well as some bad and they should be congratulated on their successful season.

Morton's rink also includes Vivian Shaw, Marg Bourgeois and Diane Vollick.
