

Freestyle at Horseshoe Valley this weekend

The best freestyle skiers in Canada and United States will be taking part in the Radio Shack Freestyle Challenge at Horseshoe Valley Ski Resort Feb. 13, 14 and 15.

This is the fourth consecutive year for the event but this is the first year that skiers from United States will compete.

The competition is sanctioned under the guidance of the International Ski Federation and should prove a good training ground for the Olympics.

Striker's lead Sunday Sinners by 11

Lucky Striker's seem to have a strong hold on first place in Sunday Sinner's Bowling League with 37 points while their closest rivals are Alley Cat's with 26 points.

There is a two way tie for third place between Pat's Rat's and Heavy Roller's with 23 points each and Seven Up's have fifth place to their credit with 20 points.

Born Loser's are in the basement with 18 points.

Top average for men is Dean Chapman with 214 while Stella McIntaggart with 185. Gerald Lesperance holds the high single flat for men with 350 and the high single with handicap at 365.

Jim Bressette has the high triple flat and with handicap at 878 and 959.

Shirley Simmonds has the high single flat for ladies with 289 and Marie Laurin has high single with handicap with 345.

Sherrin Sykes has 675 for high triple flat for ladies while Marie Laurin has also taken the top spot for ladies with a 797 high triple with handicap.

Midland X-C skiers put on good show

Midland Secondary School's boys' cross-country ski team came in eighth at Georgian Bay Secondary School Association's competition Friday at Georgian Peaks in Collingwood.

The winning boys' team was from Bracebridge Muskoka Lakes Secondary.

Parry Sound Secondary recorded a double win, their combination boy's and girl's team taking first and their girls' team also claiming the top spot.

Finishing for MSS were Kent Goldsmith in seventh, Mark Losch in 23rd.

Goldsmith just missed qualifying for OFSSA finals by eight seconds but it is hoped the convenor might allow him and the two girls to compete as individuals if the course will take the extra skiers and if he considers them capable of keeping up with the stiff competition.

Competing for the United States will be their entire National

Junior Team of 20 freestylers while Canada's team will

have nine members. All skiers will ski the moguls on the 13th,

ballet on the 14th and aeriels on the 15th. All competition will be

on an individual basis so the fact that the U.S. has a larger team will not

hurt the Canadian skiers' chances.

On location to ensure smooth timing procedures will be a TRS-80 Micro-computer and a permanent freestyle aerial jump ramp has been constructed.

In addition to that, there is now a Realistic sound system at the site which will deliver the quality of musical reproduction necessary for such an event.

Midland Major Atoms finish season with win and loss

Midland Bell Canada Major Atoms hockey club came up with a win and a loss to close out their season play this past week to take third

in league standings. Through the season, they won 10 games and lost six games as well as tying four games. Their loss came

Thursday night in Collingwood when they dropped a 3-0 decision to the home squad and no matter how hard they tried, lady luck simply wasn't smiling on them.

Sunday in Midland Centennial Arena, Midland defeated Owen Sound 4-1 before an appreciative home crowd.

Midland fell behind 1-0 early in the first period but they soon got back on their feet with two power play goals by Pat Bowers, assisted by Brad Wadge and Mike Larmand in the second period.

Larmand scored Midland's next marker with assists going to Andrew Adam and Wadge.

With 1:55 left to play in the game, Midland's Don Montieth scored off a pass from Glen Weatherall to finalize the score at 4-1.
