Midland, Penetanguishene atoms fare well in Winterama tournament

Midland and Penetanguishene Atom teams did fairly well in the Penetanguishene Winterama's Atom Tournament held Friday and Saturday in Penetanguishene Arena.

The two teams squared off in the first game, a 3-3 tie the result of that meeting.

Penetanguishene then went the consolation round route, their first game pitting them against Barrie with Penetanguishene winning that game 2-1.

Their next game was against Downsview in which Penetanguishene were downed 5-1.

Downsview went on to win the consolation championship.

Midland atoms went the other way into the championship rounds, their first game being against Elmvale with Midland taking that game 4-3.

Midland then played Streetsville in a game which they lost 5-1, eliminating them from

further action.

Streetsville also went on to become the grand champions of the tournament.

An all-star hockey team was chosen from the ranks of the clubs present and those players chosen were Don Robinson of Elmvale at center, Dave Murphy of Ancaster at right wing, Andrew Adam of Midland at left wing, Charles Bottineau of Penetanguishene on defense, Billy Arm-

strong of Richmond Hill on defense and Robert Delladonne of Downsview in net.

Peter Tower of Streetsville was selected as the Most Valuable Player of the tournament.

Reg McConkey, tournament organizer would like to thank all those involved in making the tournament work, especially the sponsors who made it all possible through their generosity.
