### Air Canada Can Now Sell Canadian Wine

Air Canada will now be allowed to sell Canadian wines on its international flights as a result of special arrangements made between the federal departments of Revenue and Agriculture.

Due to regulatory problems, this was not possible in the past. The resolution resulting in the sale of Canadian wine will boost our domestic wine industry because it offers them international exposure that could lead to better appreciation of our product and expanded world markets.

And this is going to help Canada's grape growers.

## Ontario ski race
