

# Dance the works

Port McNicoll

by Eileen Hocken  
Port McNicoll Recreation is putting on another dance Friday, March 6, for our young people 10 to 17, at Port McNicoll Legion Hall from 7 p.m. to 10 p.m. Admission is \$1 per person.

The dance will be well chaperoned and there will be a door prize and many spot dances. The youngsters who attend these dances seem to really enjoy themselves, so if you haven't been yet, make it a point to do so this week. Last Wednesday was

an exciting night for our Port McNicoll Cubs. It was apparent each boy had worked very hard on his Kub-Kar, whitening, sanding and painting, using decals to the best advantage.

Cars were proudly displayed as the judges looked over each one before selecting the best designs.

Winner of the best designed Kub-Kar made entirely by a boy, was Steven Roth. The prize for best designed car made by a boy with the help of an adult went to Jason Leclair.

Kub-Kars were then weighed in. Weight could not exceed five ounces. Afterwards the race began, participants and spectators cheering on their favourite speedsters. Mark Burrage was the lucky winner of the race.

Port McNicoll Brownies went to Wye Marsh Feb. 24, for a nature walk as part of their program for their Observers Badge. Later on, if the weather co-operates, the Brownies will go snowshoeing. Senior Citizens Club

had their monthly Euchre Party last Thursday at the Legion. We are happy to report a very good attendance as usual, almost 90 people participating.

Adelle Deshane was the lucky Door Prize winner. Marie Miller had the Ladies High score of 84. Jim Forrester had the Men's with a score of 74. Most Lone Hands was won by Jim Forrester who had six lone hands during the course of the evening.

Booby prizes went to Berlie McDamara who

had a score of 45 and Frank Zubiswiski with a score of 47. A delicious lunch completed the evening's entertainment.

Mr. Lyall Thorpe and his sister, Mrs. Golda Beech, treated some of our local residents to a pleasant evening at Barrie Race-Way last Wednesday night. The couples thoroughly enjoyed their night out, and I understand they even came away with a little extra pocket money.

**Prize**  
If there was a prize

for Very Good Citizen of Port McNicoll that prize would surely go to Lyall Thorpe.

He is a very active person in our community, sponsoring ball games for our youngsters, donating his time each Sunday to make breakfast at the Hunters and Anglers Club for the woodcutters, doing many small acts of kindness for some of our local residents.

As any generous person, Lyall would neither want nor appreciate anyone

knowing all his fine good deeds, but once in a while we like to give thanks and let someone know he is appreciated.

Our Commissioner of Roads, Leo Copeland and village clerk, Alex Hancox, attended a three-day Ontario Good Roads' Convention at the Royal York Hotel in Toronto last week.

The men were able to learn how the grant structure was going and that there weren't going to be too many funds released this year.

It was the first time Leo Copeland attended a Good Roads' Convention and he said he quite enjoyed it. He believes next year, when the elections are all over, they will be able to get much more information than they did this year.

Condolences are extended to the family and friends of Mrs. Marcelline King, Wardell Street, Port McNicoll who passed away last week. Her funeral Mass took place at 2 p.m. Saturday, at Sacred Heart Church in Port McNicoll.

Condolences are also extended to the family and friends of Mr. John Reedy of Port McNicoll who passed away Saturday. His funeral Mass took place at Sacred Heart Church, Port McNicoll, yesterday morning. Mr. Reedy was a Postmaster in our village for many years. We were sorry to hear of his passing.

We are pleased to hear that Lenny Leitch is back home again after a fairly lengthy stay in hospital following a car accident in which Lenny suffered a broken hip and two broken legs.

We have other local residents still in hospital, and we wish them a speedy recovery.

### Heat Save helpers

Virginia Lunnie of Midland, right, flanked by her sons, Sean on her right and Doug on her left talks to Dolores Currie of Midland, a worker at the Heat Save program presently in operation in Midland.

Sean and Doug seemed very interested in the project as well which goes to prove you're never too young to learn.

## Special occasion
