MYTH: Buying a house is a bad investment!

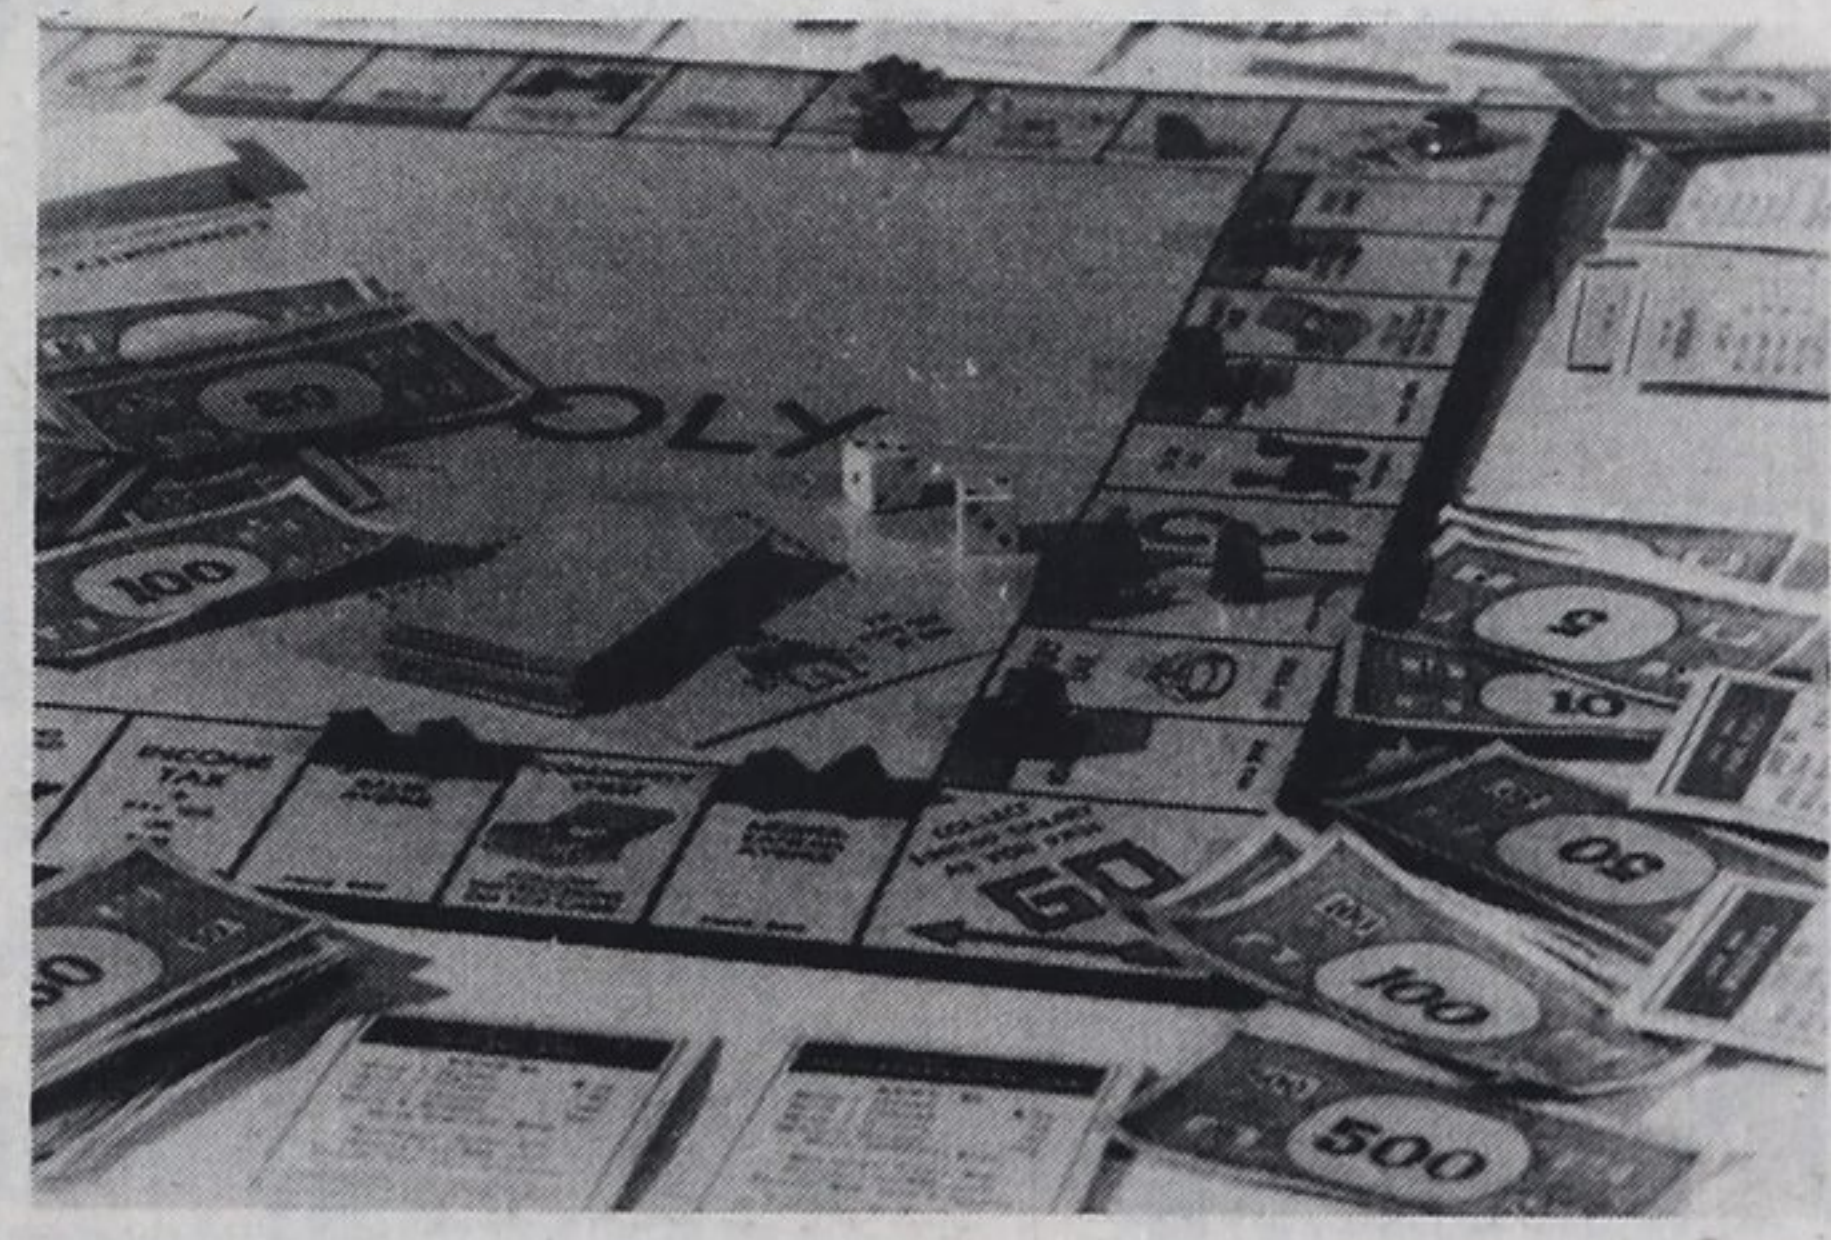

FACT: Not so! The market situation is changing and most real estate experts will tell you that now is the time to purchase your home. Price comparisons with many other regions of Canada only serve to emphasize this very fact.

And, as far as the investment potential in buying a home from CMHC, our survey results from this area speak for themselves:

- 95% of Purchasers rated the value of their CMHC homes as "excellent", "good" and "fair".
- 94% stated that they are happy with their home.
- 63% purchased homes because of the low price.

We suggest that you speak to your own real estate broker and ask for our low-priced homes, or visit our Barrie office first.

Let us help you make a good investment!
