- No winter tire changeover required. Designed for all seasons traction in all types of weather.
- Tread designed for safe traction... with thousands of biting edges for icy roads.
- Smooth ride even on dry pavement.
- Radial design to use less fuel than conventional tires.
- Features: double steel belted, 2 ply polyester sidewalls, 2 ply polyester under belt plies, heavy scuff ribs.

Free installation with purchase of new valves. Free under car inspection.

Performance rating: 56,315 km. or 35,000 miles.

All Handy Andy "Cross Country" Tires carry a 5 year road hazard insurance.

Want a tire that delivers a safe, dependable ride plus good mileage, yet is economically priced?

This is it!
"Cross Country"
"Supreme 78"

4 Ply Polyester Whitewall Tire

Tread life expectancy, 20,000 miles (32,186 km).
From

22⁸⁸

600 x 12

(Other sizes available at similar savings!)

Built tougher... to last longer. The low, wide, flat deep tread design gives it solid gripping action for good steering control. Nylon resists heat and moisture... two of the tire's worst enemies and in addition gives good wear and mileage.

WE WANT TO TAKE CARE OF YOUR CAR LIKE IT WAS OUR OWN!
