

Students, staff walk-out?

What looked like a massive walkout of students and staff at Midland Secondary School Tuesday morning was actually a recognition of National Health Week. Students and staff at the school took to the streets to traverse a 1.7 mile course up Hugel Avenue, across Old Penetang Road, down

Yonge Street and across on Noreen Street to return back to the school. First walkers back to the school received yellow and purple ribbons with some students finishing the course in just over 20 minutes. It is estimated approximately 1,600 students and staff took part in the walk.

MSS athletes in action today

Athletes at Midland Secondary School will be busy today with 60 track and field athletes from

Recreation curling

The Midland Recreational Curling League, operating Wednesday nights in Midland Curling Club, will be holding their championship finals tonight.

There are 32 teams in the league and the finalists will be competing in one draw that will start at 7 p.m. and run until 11 p.m.

They will be competing for the Gunther's Watch Center Trophy. Another event

planned for Midland Curling Club is the Huronia Auto Glass and Mirror Mixed Curling Bonspiel, sponsored by Nelson Cote of Huronia Auto Glass.

There will be 18 local teams entered in that event and they will play two eight-end games with action getting underway at 9 a.m. Saturday.

There will also be a final party and dance at the end of that bonspiel.

Good guesser

Carol Ealey, of Chalet Sports and Equipment, and Wilma Friesman together hold the 2 horsepower Johnson outboard motor that Friesman won for making the best guess in the Chalet Sports Spring Splash contest. This year the snowmobile frame chained to the town dock and placed on the ice fell through the ice in late March, a record.
