We have poor quality homes!

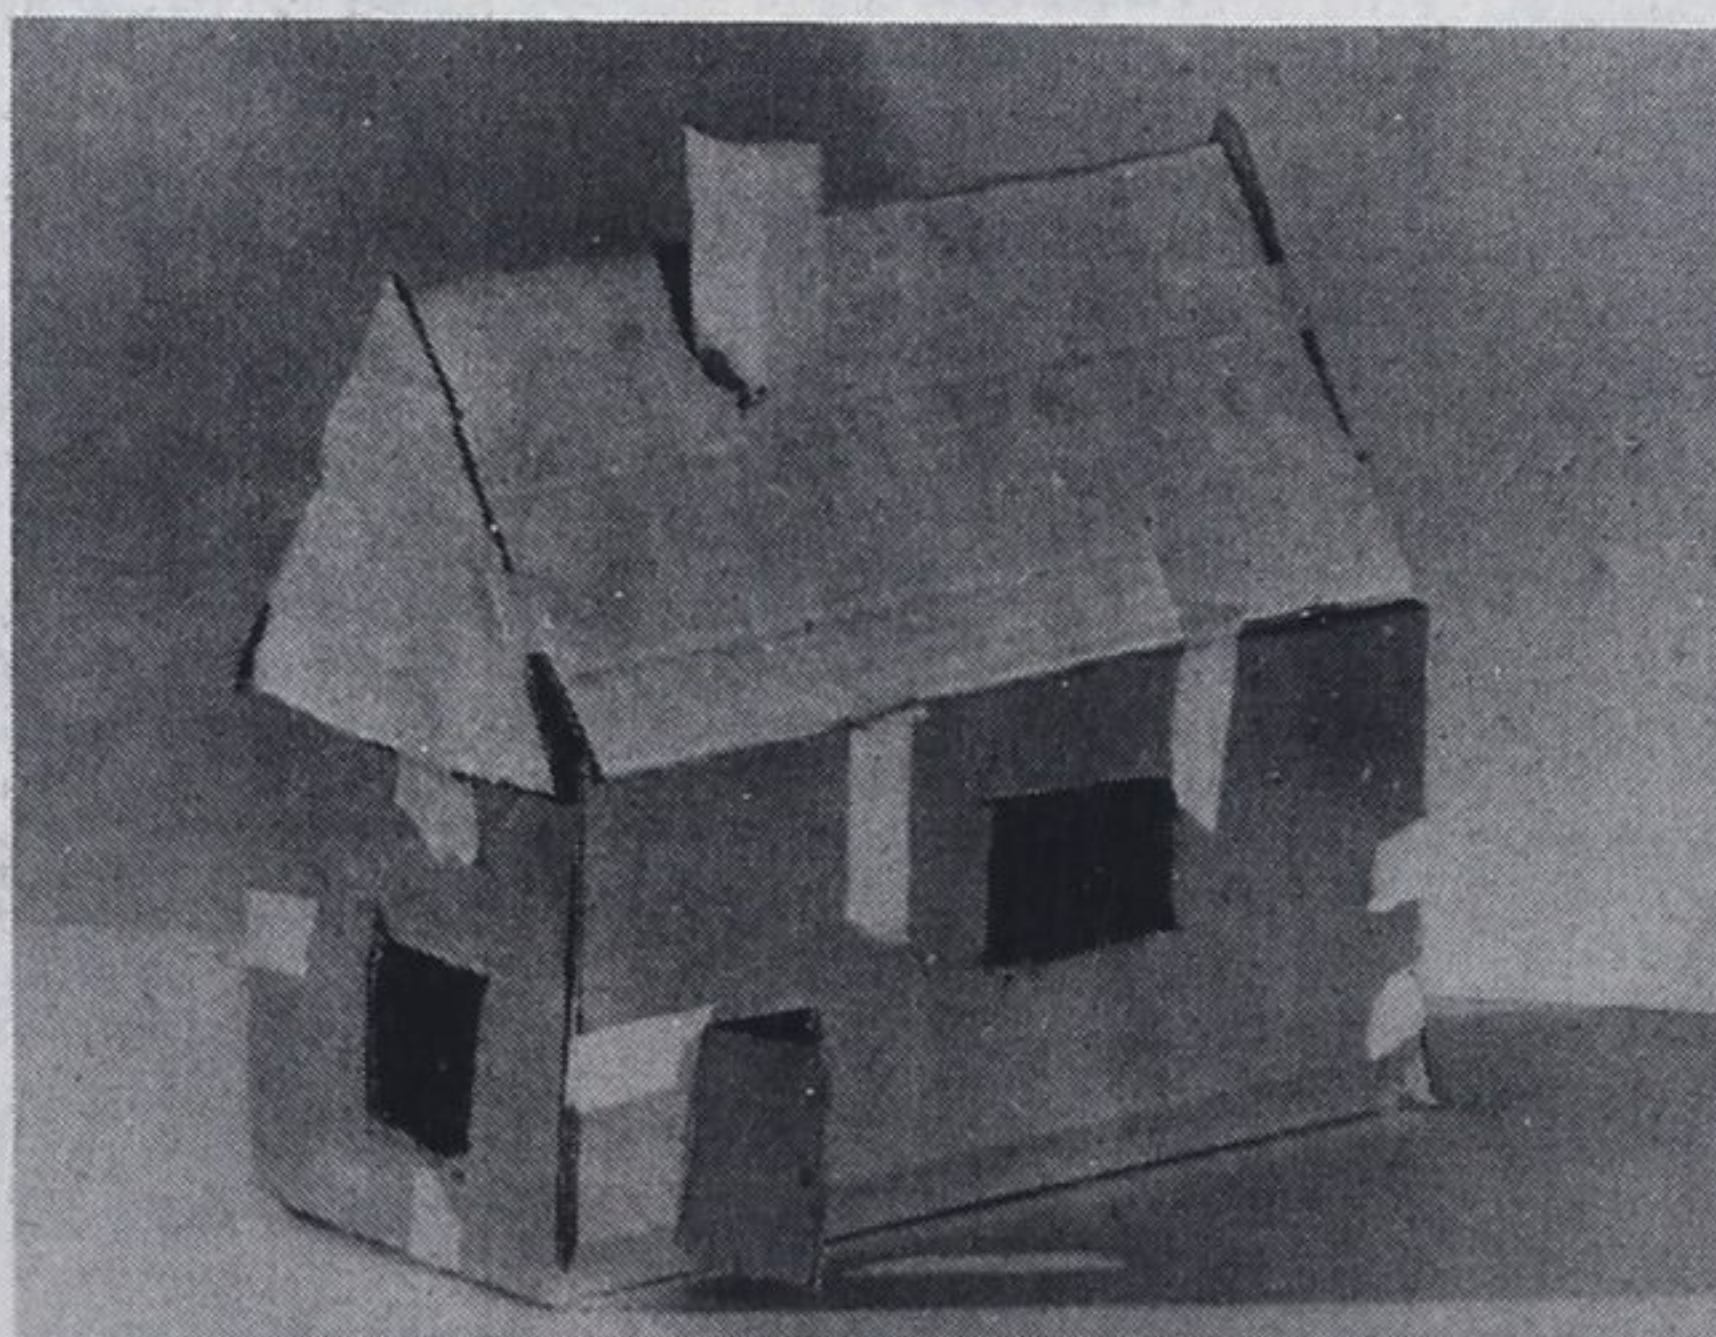

FACT:

Not so! Just ask the hundreds of families and individuals who bought a home from us. We know because we asked them.

95% of the people rated their home value as excellent, good and fair. We think that's pretty good.

And remember! The CMHC Homes for Sale are in nice, established neighbourhoods. They have to meet our strict building standards... that's why we say you get an excellent value for your dollar.
