

### Basketball? You bet!

Sean Brown of Midland concentrated earnestly on the basket at Sacred Heart School in Midland, Monday, as he and some friends had a game to

idle away the time. His concentration paid off on this shot as he sunk the basket easily. Watch out, Kareem!

## Dave Stone to be admitted into Order of St. John

There's a very good reason for Dave Stone of Port McNicoll, an employee at RCA, to be happy these days.

Dave received word this week that he is to be "made" a "Serving Brother" of the Order of St. John.

Dave currently serves as divisional superintendent of St. John Ambulance.

He has been connected with the movement for the past 11 years.

It is because of his dedication that Queen Elizabeth approved his appointment to the Order of St. John.

Word came through the Priory of Canada in Ottawa that the local St. John Ambulance official, would be "made" a "Serving Brother" at ceremonies to take place Oct. 23 in Ottawa.

Dave couldn't hold back his excitement this week especially knowing that the queen had to approve allowing him to join the Order

which dates back to the time of the crusades.

At the same ceremony it is understood several members of St. John Ambulance from across the country will be "Knighthood" something Dave says he'll enjoy watching "after I have been made a "Serving Brother."
