Red Shield blitz set here for May 4

MAY IS The Salvation Army's Red Shield Month. In North Simcoe the Army hopes to raise \$25,000 through a series of one-night fund-raising blitzes.

The month actually officially kicks-off Saturday, May 2 with a parade from the citadel in Midland to the town's public library.

Penetanguishene's Mayor Ron Bellisle and other North Simcoe civic leaders will take part in a brief ceremony at the Midland Library as part of the kick-off.

Come May 4, Penetanguishene, Midland, Wyevalle and Perkinsfield will be blitzed starting at 6:30 p.m.

As has been the case in recent years, Penetanguishene Legion will be assisting the Midland Salvation Army in conducting the May 4 blitz in Penetanguishene.

And before the month is over all North Simcoe communities from Elmvale to Port Severn and Honey

Harbour will have been blitzed as part of the Red Shield campaign for funds.

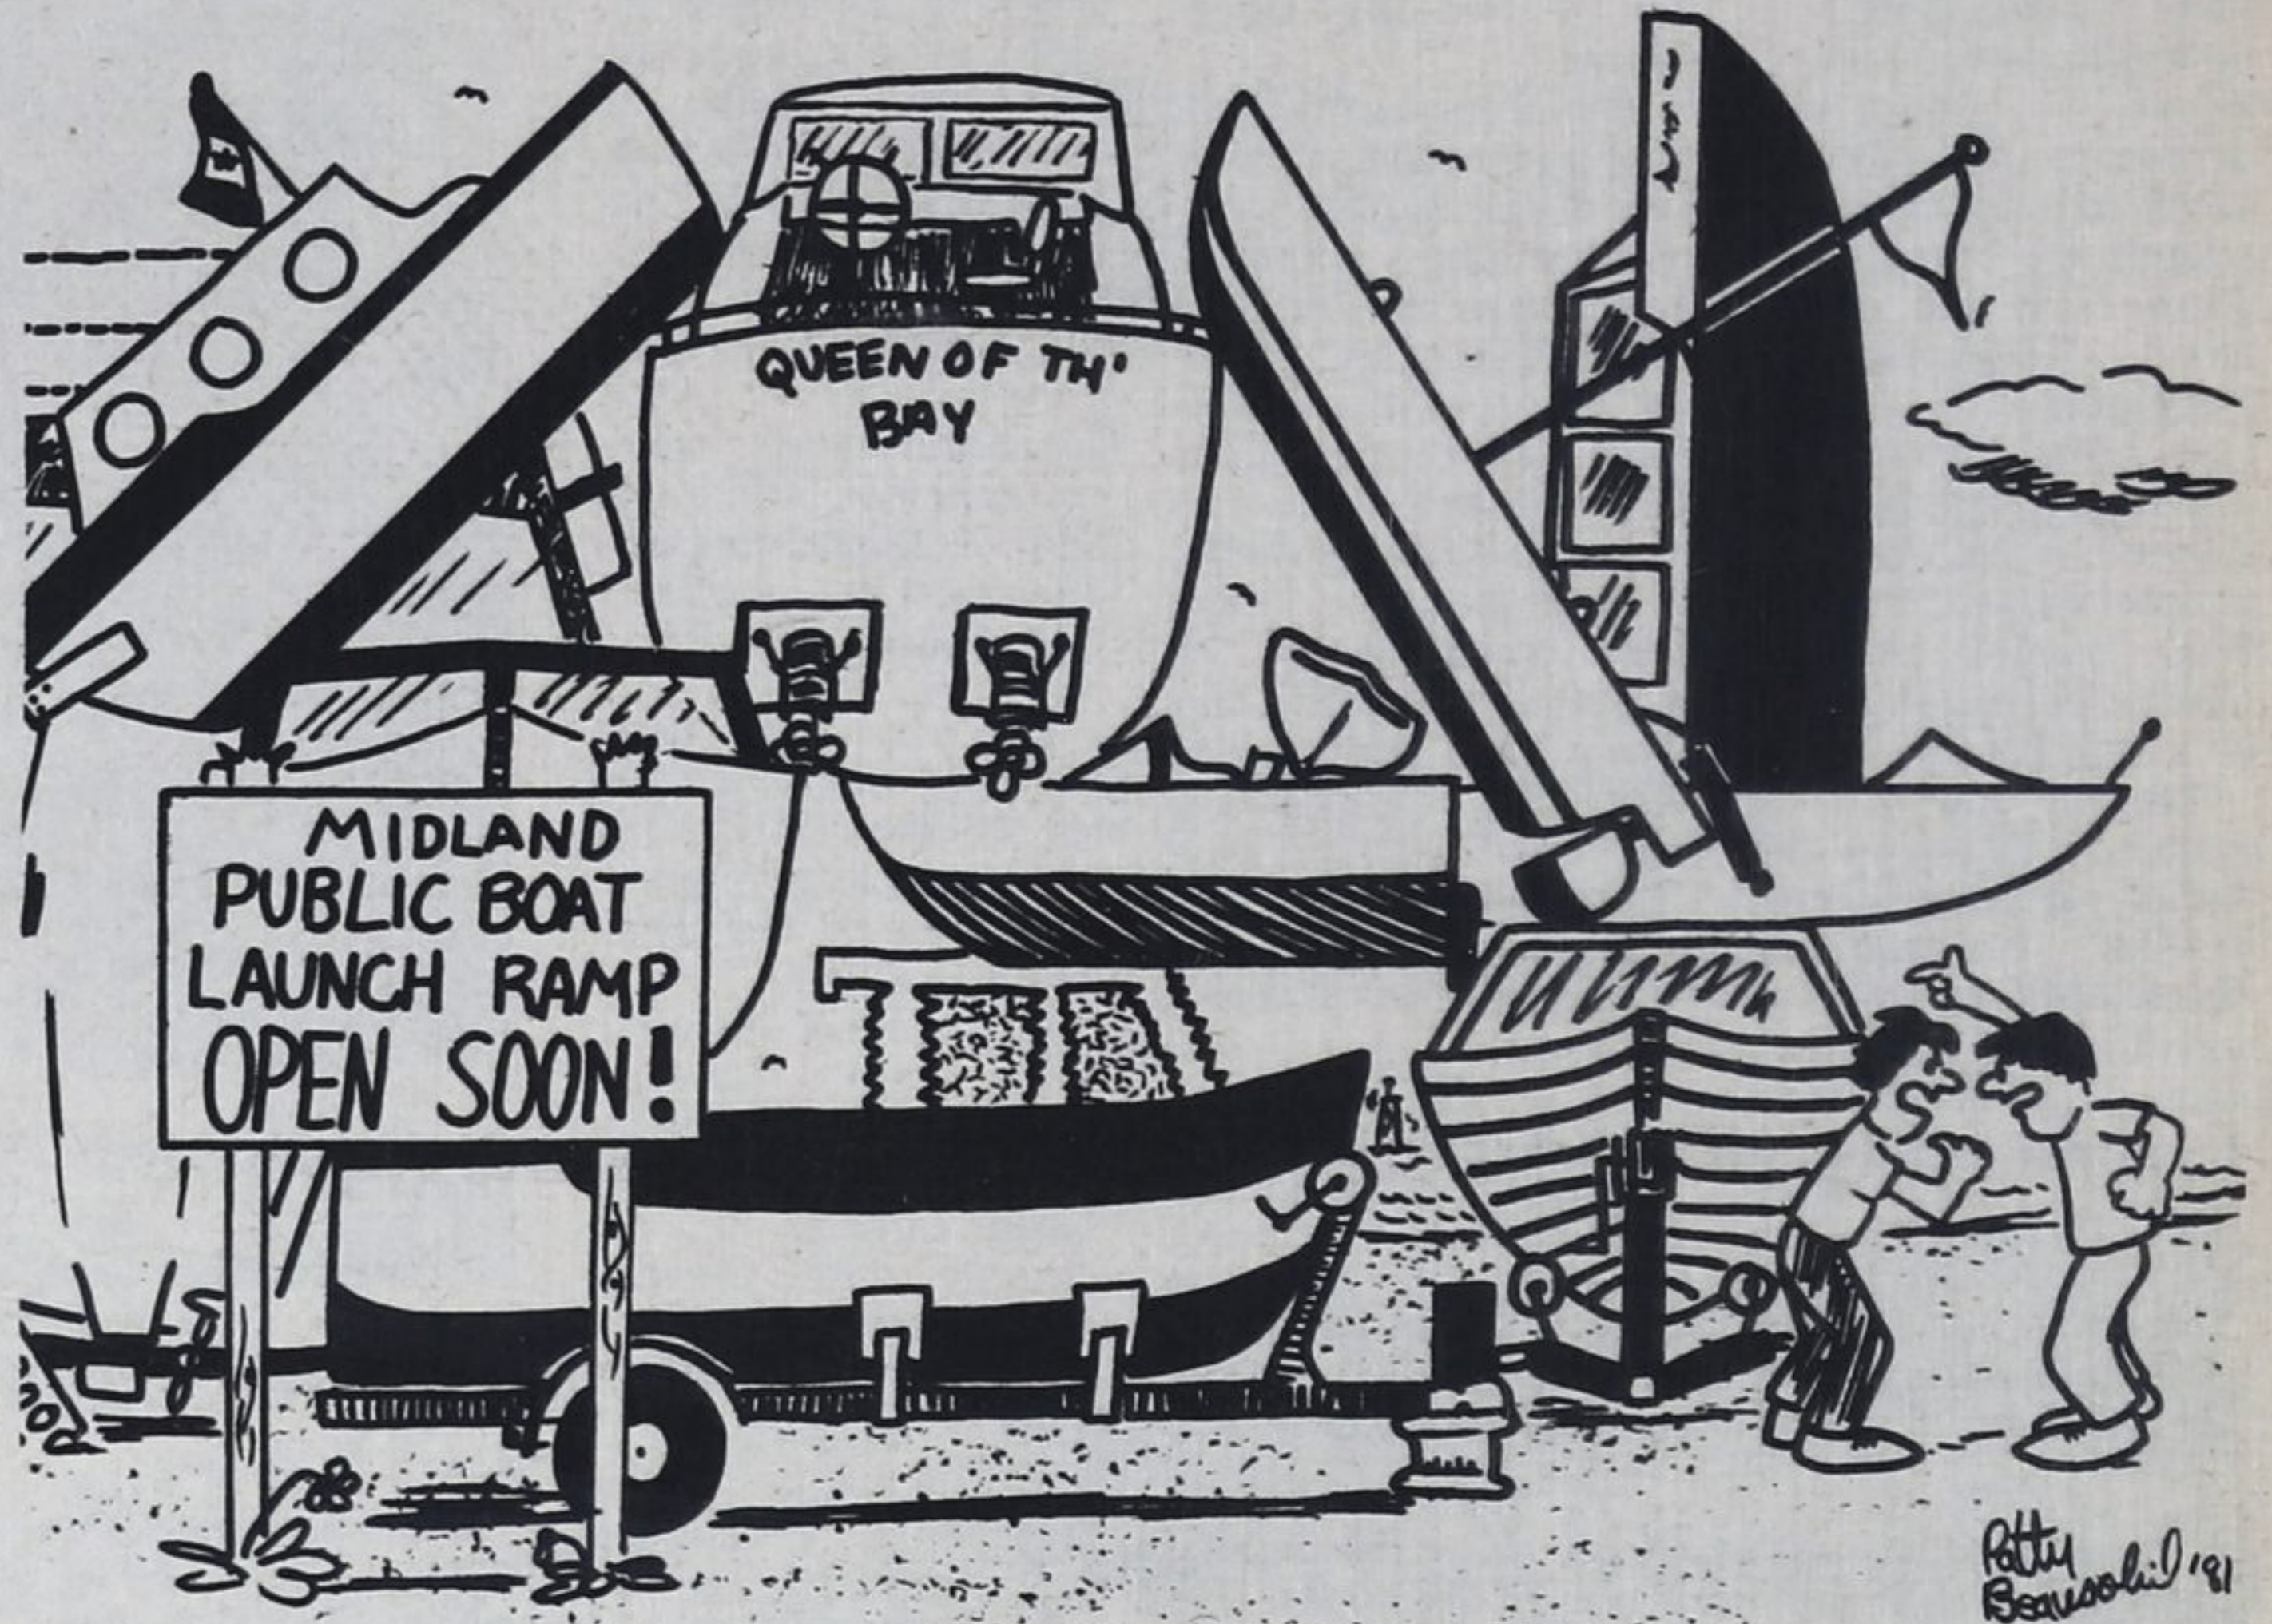

In Midland, former town councillor Nancy Keefe is chairing the campaign; Lt. Ray Braddock of The Midland Salvation Army is the campaign director.

Last year's target was \$13,000 while a total of \$12,500 was actually collected during the month.

With more and more volunteers coming forward, campaign organizers are hoping the much higher goal of \$25,000 can be reached during the month of May.

The local Salvation Army, Lt. Braddock, campaign committee members and all volunteers who plan to set aside some of their valuable time to help blitz North Simcoe for funds are all to be praised.

Here in Penetanguishene, we are certain with your help The Salvation Army's goal will be met.

\$5,700 raised by Quota Club

Dear Sir:

On behalf of the members of the Quota Club of Huronia and the Canadian Cancer Society, we would like to thank everyone who helped make our Daffodil campaign in the Midland-Penetang area such a success.

This year we were successful in raising \$5,700 through the sale of daffodils.

Our special thanks for the co-operation and

participation of business, industry and volunteer organizations. Your combined efforts will certainly assist the Canadian Cancer Society in their tremendous effort to aid cancer patients across Canada and in our own area.

Korean students wish to correspond

Dear Sir:

It is my great pleasure to write to you. I expect you will be pleased to accept my appeal regarding oversea pen pals for our students.

I am an English teacher in a noted high school in Pusan, Korea. This school has about 2,500 students of both sexes.

I am eagerly seeking foreign students who would like to correspond with our students. There are many Korean students who want to exchange letters and friendship with foreign pen friends, and they frequently request me to let them have

foreign pen friends.

Through out my foreign language teaching career, I've noticed this would help not only their English and emotional life, but also expand their knowledge of foreign lands.

This would also promote world wide friendship and mutual relationship as well as serving as a true foundation of world peace.

I feel it is necessary to publish this simple wish among the boys and girls of the world, therefore, I courteously request you to run this letter in a corner of your valuable paper.

The only information I need of a student is his or hers' name, address, sex, age, hobbies and picture if possible.

I expect to receive many letters from your readers wishing to correspond with our students (welcome group or class requests).

I will appreciate it very much if you let me have the chance to do this for my students. This would be a warm and thoughtful favor. Awaiting good news. I remain.

Sincerely Yours,
Mr. Yang Moo Seok,
P.O. Box 339,
Pusan City, Korea.

A salute to Ont. nurses

Dear Sir:

Every year a week is set aside in Ontario for "Nurses Week". This year May 4 to the 9 has been chosen.

The Ontario Nurses Association is sponsoring the activities planned for "Nurses Week", 1981. The theme for the week will be "Discover Nursing".

Nurses in our community are planning activities to inform and educate the public to the many fields and services in which they are involved in our area.

Displays and information will be presented by many of the local health facilities at Huronia Mall on May 8 and 9.

By the end of the campaign, it is hoped that the public will be more familiar with the various aspects of the profession and the facilities available in our community.
