

# Coaching clinic to be held May 27

by Don Lawrence

It is becoming increasingly important in amateur sports to have qualified people coaching the teams young athletes are playing on.

If you feel you have a place in coaching, there is a course designed to help you better understand the role you have chosen.

The National Coaching Certification Program, level one clinic will be held May 27, running on Mondays and Wednesdays for two weeks at the Barrie campus of Georgian College.

It is being offered by the Georgian College Continuing Education Division in cooperation with the Ministry of Culture and Recreation Sports and Fitness Branch and the Simcoe County Recreation Department.

Registration fee for the program is \$10 and that price includes a course manual the participant can keep.

Instructing the course will be Waldo Henderson, District Supervisor of the Barrie District branch of the Ministry of Culture and Recreation and Sadi Van Beest, Programme Coordinator with the County of Simcoe Recreation Department.

Objectives of the course are to encourage experienced coaches to continue their growth and development through continued study, observation and

practice, to help motivate coaches to acquire a base of fundamental knowledge of coaching techniques and to ensure all coaches have the necessary fundamental knowledge and skills to do their jobs properly.

In the course, instructors will cover analysis, sports safety and how the human body works and grows.

All persons attending this course will receive a level one National Coaching certificate.

There are five levels in this program.

To register or for more information on this program, contact Pat Guergis, Information Officer at (705) 728-1951, extension 301.

## PERSONAL LOAN RATES

These days you could use a better shake on your loan interest when you borrow money.

Announcing, a *better* shake.

Between April 27th and May 9th, Sterling Trust is reducing current personal loan interest rates by 10% on loans of \$2500 or more. And 10% can mean a big saving in these days of high interest rates.

At the current rate of 19¾%, our 10% saving would bring your loan interest rate down to 17¾%. In most cases, an existing loan you have elsewhere can be transferred to Sterling Trust, and we'll even do the paperwork.

Come to Sterling while we're cutting our current interest rate by 10%. It's another way Sterling Trust gives you a better shake.
