Cystic fibrosis benefit

Research into cystic fibrosis, a deadly disease that strikes the young, was the beneficiary of last Thursday evening's fashion show in the Budd Watson Gallery in Midland. The Kinette Club organised a 90 minute showing of fashions ranging from beachwear for both sexes to maternity wear.

Medonte West choir takes festival trophy

Students of Medonte West Central Public School in Hillsdale have certainly been in the news lately as the group participated in several more competitions this past week.

The Choir, led by Mrs. Janet French, took the Coldwater Horticultural Society Trophy for their efforts in the Coldwater Music Festival staged last week.

The 29 member choir participated in the festival as a Grade 2 choir, as most singers were Grade 2 students, and sang "Little Lamb When Do You Sleep" for their first place win.

The festival was held throughout the week at the United Church in Coldwater and the Hillsdale group took part in Tuesday's schedule of performers.

The choir is comprised of Grades 1, 2 and 3 students of Medonte West Central School.

Two spellers from the Hillsdale School took top spot in their divisions in Hillsdale and went on as the school representatives to the Area 3

Spelling Competition held last Tuesday at Regent Street Public School in Midland.

Tammy Lorette and Lisa Nightingale were the junior and senior representatives for the school.

And finally, Medonte West top speaker was selected last week also.

Harper Forbes won the speaking contest at the school and last

Wednesday, went on to the Area 3 Public Speaking Competition held at Huron Park in Midland.

Just two weeks ago, four primary students, Mitchell Thompson, Cameron Pottage, Kim Welch and Ricky Greenlaw won the Primary Division Trophy at the Kiwanis Area 3 Science Fair staged in Midland.
