BARBECUE TIME

Victoria Day marks the return of creative outdoor cooking. Almost any cut of meat can be enjoyed on the barbecue. By using a marinade before grilling, a less expensive cut of meat will provide a flavourful meal. Chicken pieces, beef or pork ribs are all delicious served with barbecued fresh fruits and vegetables.

Hints for Your Next Barbecue:

Steaks should be 1/2 inch thick or more. Turn meats with long handled tongs. Trim fat to control flareups. Keep barbecue in sheltered spot, out of wind. Line grill with heavy-duty foil for faster cooking, & easier clean-ups. A&P have prepared a free leaflet — "Over, On or Under the Coals", giving advice on barbecuing meat, fruits and vegetables.
