

Launching ramp ready to use

The public launching ramp in Pete Petterson Park in Midland is all but finished except for some finishing touches. All that has to be done now is to clean up the area around the ramp and drive in a

few piles to keep boats out of shallow areas. The ramp is accessible now and it will definitely be ready for use this weekend.

Bulls have one game left in pre-season

Midland Bulls Rugby Club will be playing its last "friendly" of pre-season play Saturday in Collingwood against York Yeoman.

That game will start at 1:30 p.m.

So far this season, Midland has not won a game but has been steadily improving since its first "friendly"

April 11 when Bulls were drubbed 46-4 by Brock Rugby Club.

Bulls continued play with a 9-3 loss to Oshawa II and a 19-7 loss to Belleville in the next two weeks.

The Midland club has some new players this year and they are working into the team's forces quite well.

MSS girls win shoot out

Defence was the name of the game for Midland Secondary School's girls' soccer team this past week as they won their second match in six days.

The wet weather served to hamper the game between MSS and Park Street of Orillia at MSS to the point where it was 0-0 at the end of regulation time, MSS

winning 3-2 on a shoot out.

The shoot out called for both teams to have five players lined up at the penalty line in front of the opposing team's net with MSS girls scoring on three of their five chances while Park Street only managed to put the ball in the net twice.
