### Expert 11 point Wheel Alignment

for most cars,  
light trucks and vans

For proper driving control and tire wear. Here's what our experts do:

- Adjust camber
- Adjust caster
- Adjust toe in, toe out
- Center steering wheel-steering gear adjustment
- Inspect front springs
- Adjust wheel bearings
- Inspect tires
- Inspect shocks
- Inspect steering components
- Inspect steering linkage
- Adjust torsion bar where applicable

Parts extra if needed. All available at our low prices.

**12<sup>98</sup>**

### Here's What We Do

Adjust Carburetor, set timing, test charging system, scope test, lubricate heat riser valve, check tires, brakes, exhaust, shocks, wiring, belts and filters.
