

# Fireworks attracts crowd

by Liz and John Dennis  
Wyebridge Community Centre was the scene last May 18 evening as the Wyebridge Parks and Recreation Committee presented a fireworks display to the delight of

all present. A large responsive crowd gazed towards the heavens as rocket after rocket shot skyward and exploded in brilliance. Admission to the park was \$2 and the census following the

display was that everyone "got their money's worth". Wyebridge Parks and Recreation Committee would like to thank all those who patronized the fireworks display and would like to extend a special thanks to the

Wyebridge Fire Department for helping to sponsor the event. Wyebridge Warriors played their first game of the 1981 season in Vasey last Thursday night, under the lights. Vasey Royals proved victorious over the

Wyebridge squad by an 11-6 count, but with the season just started there will be ample opportunities for Warriors to display their talents. Games are every Monday and Thursday evenings, so come out

and support the Warriors. An extra special congratulations is extended at this time to Bill and Jessie Preston on their 64th wedding anniversary. Bill and Jessie were married on the 24th of May, 1917 by Rev. N.A.F. Borne at Penetanguishene.

Overland and children, Neil and Kim; Betty and Alan Tipple and sons, David and Richard; and Carolyn and David Cruise and children, Bonnie and Tim, all of whom reside in Gravenhurst.

From Orillia came Yvonne VanDyke, David and Bruce Cruise and from Toronto, Elva Ludlow and Bill Dawson. Quite a get-together Violet.

Lila and Ray Eakley were also quite busy entertaining visitors as Bruce Armstrong travelled from St. Catharines, Saturday, to spend a few days, and Jack, Sheila and Tony Eakley travelled from Scarborough for the holiday weekend.

## Council makes it all official

Midland council, by bylaw, made it official Monday night. By a vote of 8-0 council authorized the appointment of Fred G. Flood as deputy clerk of the town.

A second bylaw appointed Gerald M. Morrison as deputy treasurer.

The third bylaw given the green light this week by council entered into an agreement with the Tamarack Shop to sub-lease premises at the town dock for the sole purpose of selling souvenirs to the general retail public.

Tamarack will operate the facilities from June 15 to September 30 ... the rent being \$440 for the life of the agreement.

And a bylaw council okayed several weeks ago with Ancol Holdings Limited (a Sam Ancio enterprise) was rescinded Monday night by bylaw.

The issue involved an encroachment onto Midland Avenue.

The program is designed to provide information on various legal concerns affecting recreation and will be of concern to Municipal Recreation Committees, other Municipal Officials, Community Groups, Sports Organizations, etc. This seminar is being conducted in co-operation with the Ontario Municipal Recreation Association.

Please mark this event on your calendar and watch for further announcements.

Contact's Big Wheelie Bike-a-thon was a success and an enjoyable day for all. Despite warnings of rain, the morning weather was just grand for riding.

First riders left MSS at 9 a.m. and the first to complete the route arrived at Midland Little Lake Park 58 minutes later.

Our congratulations to Dan Gilbert and James Moreau. The majority of the remainder of riders made the route in 1 1/2-2 hours, including yours truly.

Sheila Weatherell was the overall winner for the dinner for two at Andreas Steak and Seafood Restaurant with pledges totalling \$400.

Sheila has had lots of offers to accompany her to this dinner.

To list all of the people to whom we owe a vote of thanks would take up more space than I have available, but to everyone who participated, be it riding, sponsoring, donating food or time or bicycles, a most heartfelt thank you.

We were able to raise approximately \$2,900 that will go towards our operating costs. Fundraising events and donations make up 2/3 of our yearly budget.

The solution to even the most difficult problem begins with the first step. If you have a problem, take the first step. Call Contact, your Community Information Centre today.

## Watch our program tonight on Cable 12

Contact's Consumer Education Program Number 3 will be shown on Cable 12 at 6:30 tonight. Be sure to watch this informative program.

Karole Ogden has been hired as Contact's Community Service Order Co-ordinator, duties to commence as of June 1.

We would like to welcome Karole to Contact and look forward to working with her.

Community service orders will be on work projects that are of tangible benefit to the community and meet a community need. Community work is, first and foremost, a means of dealing with the non-violent offender in his own community.

A judge may decide that the person appearing before him for sentencing will benefit more by performing some direct or indirect service to his community rather than receiving another form of sentence.

Some of Karole's duties will include finding areas of work, supervising such and reporting. This is a new program being sponsored by Contact.

If you have any questions, we have information pamphlets available, please call.

St. Andrews Manor is holding a tea. Included will be a bake sale and a craft table on Saturday, June 6, from 2 p.m. to 4 p.m.

Miss Sadie Couture celebrated her birthday on May 26. Contact would like to wish her a happy birthday and many happy returns.

Allan McLean is scheduled to be in the offices of Contact today from 2 p.m. to 4 p.m.

Save Dominion tapes for Contact. We would like to replace some outdated equipment. The tapes will go toward the purchase of a calculator and an electric typewriter; \$475 in tapes is equal to \$1 value towards a purchase price; so you see we will need a lot of tapes.

They can be dropped off at the office at 298 First St. at the side entrance.

The County of Simcoe Recreation and Cultural Services Committee will present a seminar on Recreation and the Law to be held
