Off to 4-H Leadership Camp 1981

Provincial 4-H Leadership Camp is one of the best opportunities 4-H has to offer. The selection of members to attend this camp is often difficult, and such is the case in 1981.

Some top 4-H members in North Simcoe, applied for this opportunity, and selection was based on a variety of factors.

The objective of this program is "to provide prospective leaders with training experience which will assist them in providing effective leadership to local youth clubs and activities".

The 1981 delegates to represent North Simcoe at Leadership Camp this year are: John Holt, Sunnidale Dairy Club

and Andy Jones, Vasey Calf Club.

Dan Trace of the Elmvale Beef Club has been chosen as an

alternate and will also be attending Provincial Camp if the quota is extended to three members.
