**They
qualify as
winners**

Members of St. Theresa's High School's track and field team have been making their presence felt of late with 11 of their athletes qualifying for Regional finals in Hamilton yesterday. Prior to that, 17 of their group qualified for the GBSSA finals at York University held recently. Midland Secondary School and Ecole Secondaire Penetanguishene Secondary School only managed to qualify six athletes each for yesterday's meet, those results to appear in this newspaper Friday.

ARC floor hockey team takes it all

It was third time lucky for the Adult Rehabilitation Center's floor hockey team this past weekend in Timmins as they won the Special Olympics Provincial Finals.

The team from ARC has been to the provincial level of competition twice before in 1978 and 1979, finishing as finalists both times.

They will now travel to Ottawa July 18 where they will compete in the National Finals of the Special Olympics.

In Timmins, the Midland Squad started off play with an 8-3 win over Thunder Bay but lost their second match 5-3 to Brampton in a closely-fought game.

They didn't let that get them down though, coming back to defeat Mississauga 9-6, putting them in the finals

against Brampton.

That game was even closer than the first, Midland coming out on top 3-2 to take the championship.

Outstanding players for Midland ARC were Roberto Badinetti in net, Mike McKee on defence and Steve Galbraith and Jerry Buttineau who were the top scorers in the four games.

Galbraith scored 10 goals while Buttineau popped in five markers.

The team will now be coached by Dave Hamilton who recently joined the staff at ARC with their regular coach Paul MacDonald helping out part-time due to workload.

Bob O'Hara was also helping out with the team this year and his help in the past has been greatly appreciated.

Other athletes competing for ARC at the Special Olympics National Finals will

include several bowlers and swimmers, those names to appear in this newspaper Friday.
