OUR POLICY

Huronian Calendar is an every Wednesday feature of this newspaper.

Non-profit organizations are invited to use this feature. Every effort will be made to announce your special event in at least two editions prior to the event itself.

For more information, call the editor at 526-2283.

Moral victory for Bulls in losing to Brock 22-10

Midland Bulls Rugby Club scored a "moral victory" Saturday in Cannington when they played the Brock Rugby squad but unfortunately came up on the short end of a 22-10 game.

That was the lowest score Midland has ever lost to Brock by in the number of years they have played against them which goes to show the Bulls are definitely getting better.

In fact, the game was even closer at 16-10 until the final play of the game when Brock scored a try and a conversion.

Midland Bulls' points were scored by forwards Rick LeRoux and John Lenio with Al MacDonald covering Lenio's try for the extra two points.

Also putting in good performances for the Bulls were Steve Josland and Richard Thomas with university students Steve Clarke and Kirk Swales also making an impressive showing.

This was the Bulls' first league game, their next match being played at Midland Secondary School against Peterborough, that game starting at 1.30 p.m.

MVC canvass reaches day nine

Today marks day number nine for the 14 day canvassing project for the Midland-Huronian Volleyball Club.

Club members are looking for monetary support from the residents of Midland to construct outdoor volleyball courts in Little Lake Park.

The courts will be beach sand based and will consist of four courts with permanent metal posts and wooden boundaries.

The MVC has been working with the Parks Board since February of last year on this project, this canvassing being one of the last steps in the long process.

The Parks Board is now advertising for tenders to build the courts.

The project will wrap up June 2 with a co-ed volleyball tournament at Midland YMCA for club members and friends at 8.15 p.m.

Soccer

Midland Minor Soccer is coming along well and has progressed from the formation stage.

The league now has 83 kids registered in the three levels of play with another 20 registrations lined up for this week.

Ken Cave, league organizer would like to keep the league to around the 100 registration mark, stating he doesn't want to go too large before they can institute some more organization.

At present, the biggest problem for the league is a lack of coaches and if you can help out there, call Cave at 525-4275.

The league will also be looking for sponsors for the teams and that will involve a small amount of money as the sponsors will only have to pay for the sweaters.

Twenty-two buildings

Sainte-Marie Among the Hurons offers 22 authentically reconstructed buildings, including a cookhouse, chapel, blacksmith shop, carpenter shop, Huron longhouse, and the first hospital in Ontario.
